In his private practice Dr. H. S. Thatcher demonstrated that such symptoms as Indigestion, Gas on a Sour Stomach, Belching, Dizziness, Colds that Hang On, Sick Headaches, Constipation, that Tired Feeling and a general Run-Down condition of the System are often the result of a Sluggish Liver—and that relief in such cases comes quickly when the Liver is properly Cleaned and Toned and the System is working normally again.

Why This Gives Relief

When working as Nature intended your Liver does three things necessary to keep you feeling your best. First, it purifies your BLOOD every drop of which passes through the Liver every fifteen minutes. Second, your Liver furnishes the essences that are essential to perfect DIGESTION. Third, your Liver supplies the secretions Nature uses to lubricate your intestines so that your Bowels can move naturally, gently and regularly every day. When your liver becomes sluggish it cannot do these three things; consequently, you suffer from one or more of the symptoms above described.

Share It With Family

Just to prove to you that you CAN get quick RELIEF, druggists are giving away FREE liberal trial size bottles of Dr. Thatcher's Liver and Blood Syrup. It is a syrup of PURELY VEGETABLE ingredi-

ents known to Physicians for their CORRECTIVE and HEALTH BUILDING properties. Each ingredient is chosen to help Nature to cleanse and tone the Liver—to correct this cause of Constipation—to improve Digestion and Appetite—to Nourish and Strengthen the System—to tone the Tired and Over-taxed Nerves, and to send purer, Healthier Blood coursing through your veins.

Clip the Coupon Below! It will cost you nothing to try this health-building vegetable syrup. All we ask in return is that you tell others what a few spoonfuls did for you.
