state, declared that the meeting should be open. It was finally agreed to go into executive session when matters of a confidential nature came up.

Dean H. Walker was appointed dean of men for a year, according to a report given out after the meeting. Mr. Walker is now student advisor and director of student loan funds. He will replace Dean John Straub, recently made dean emeritus of men.

No action was taken on electing new heads for the departments of English, romance languages and zoology. Dean Colin V. Dymont was empowered to look for suitable men for the positions while on his way east to embark for Europe and to make recommendations to the board.

The salary of Karl Outhank, secretary to the president, was increased.

The plans of the associated students to issue a three-year bond issue of approximately \$90,000 to defray the cost of building new bleachers on Hayward field and a basketball pavilion, the principal and interest to come from the increased student fee of \$5 a term was tentatively approved by the board.

Approximately \$40,000 yearly will go into student body coffers from the added fee which undergraduates approved in the spring. Graduate Manager Benefield told the board.

The following new appointments and other faculty changes were approved:

J. Stanley Gray, now on the English staff of the University of Minnesota, to become Assistant Professor with work in public speaking, debating and oratory.

Robert B. Horn, instructor, to fill the vacancy occasioned by the resignation of Oscar Brown, instructor in written and speculation English. Mr. Brown will enter the practice of law.

The status of Professor Mary Watson Barnes and Alice Henson Ernest of the English faculty was changed from one-third to one-half time.

Gustav Muller, who heads the doctor of philosophy degree from the University of Berne, Switzerland, was appointed instructor in philosophy to succeed Kirby Miller, who was not re-elected.

Dr. Kimball Young, was transferred three-fourths time to the school of sociology. Authorization was made to fill the place of Dr. Raymond H. Wheeler, who has resigned to be-

"Perfect," She Wins Cup

Miss Frances Hickok, a Kansas City high school girl, has the best physique and character of any girl in the Kansas City schools. She was adjudged winner from a class of 250, and will be given the "Heart of America 100 per cent perfect" cup.

come head of the department of psychology at the University of Kansas. Thomas D. Cutsforth, teaching fellow in psychology, becomes instructor in the department.

Dr. Harry B. T. Yocom, assistant professor of the zoology, was promoted to associate professor and Oscar W. Richards, teaching fellow in the same department, becomes an instructor.

Dr. B. W. Debusk, professor of education was granted leave of absence to organize a research bureau in the Portland public schools next year.

Raymond D. Lawrence, Oregon graduate and ex-Portland newspaper man, was elected instructor in the school of journalism.

To fill vacancies, Dr. Fred N. Miller, Lafayette college and Dr. Wilton Stegeman, Rush Medical school, M. D. become, respectively, University physician and assistant University physicians.

Ernestine Troemel, Wisconsin graduate, and Earl E. (Spike) Leslie, Oregon graduate and ex-athletic coach at Eugene high school, become instructors of physical education to fill vacancies.

Prof. James H. Gilbert, head of the department of economics and member of the faculty since 1907 was appointed by the board of regents in session here today acting dean of the college of literature, science and arts of the University of Oregon to replace Dean Colin V. Dymont, who has received a leave of absence for one year. Dean H. Walker, student advisor, was appointed dean of men for one year.

FARM POINTERS

For codling-moth in southern Oregon the growers find that a succession of cover sprays at about two week intervals is applied to get best results in clean fruit. The practice is continued through the early summer months with cover sprays recommended in the experiment station spray program for Oregon.

Watch the chicks more than the thermometer. They will show you if the temperature is right—no matter what the thermometer reads. Watch them constantly during the first week as this is the critical period, advises the O. A. C. experiment station.

Anthraxnose canker and fruit rot are prevented by a single, thorough application of bordeaux mixture 4-4-50. Good economy is to put the bordeaux on with the July or August worm spray, says the O. A. C. experiment station.

Have you sprayed the brooder house yet? Contaminated houses and equipment are the cause of spreading much disease in Oregon, the experiment station says. Use any good spray material with a coal tar base and be sure to reach all of the corners and cracks in the house.

Red spiders, which are likely to strike at almost any plant in Oregon from low-growing annuals to tall trees, develop most rapidly and become most harmful in dry weather. The best protection so far reported by the Oregon experiment station is dusting with sulfur. Most sulfur containing insecticides are effective

Guard Officers Banquet Guests

MEDFORD, June 16.—Adjutant General Geo. A. White and sixteen of the national guard officers from the state encampment at Camp Jackson, were guests last night at a banquet held in the old United States hotel, where President Hays, was a guest in 1880, at Jacksonville given by the Jacksonville chamber of commerce and the Medford Crater Club.

Humorous skits dealing principally with army life, enlivened the proceedings and the visitors were given an outline of the early day history of Jacksonville as a mining camp and supply center for southern Oregon, by Attorney Gus Newbury, of Medford, who spent his early life in Jacksonville.

If applied thoroughly, and some growers use liquid sulfur solutions.

Anthraxnose disease of gooseberries is indicated by the presence of many small dark spots on the leaves that often cause the leaves to drop. Bordeaux applied in 4-4-50 strength thoroughly to both surfaces of the leaves is the remedy found effective by the Oregon experiment station. Directions for making and using the spray may be had on application to the agricultural college at Corvallis.

SHANGHAI, June 16. (AP)—One foreign life for every Chinese life taken in the Shanghai riots was the slogan adopted by Chinese in posters distributed today after the killing of William W. MacKenzie, an English subject yesterday. Otherwise the situation remained unchanged. A seething city of indignation and unrest.

The Four Major Reasons

To those familiar with the chief reasons for Graham Brothers remarkable growth, these four points loom most conspicuously in explanation of their leadership and lower prices:

1. Price advantage.
2. Exceptional quality.
3. Power and dependability of Dodge Brothers Engine.
4. Character of Dodge Brothers Dealer organization.

Better than a written guarantee of continuous satisfaction, these reasons are too fundamentally important to escape the attention of judicious truck buyers.

New Hotel at Eugene Opens

EUGENE, Ore., June 16.—The new Eugene hotel, built and furnished at a cost of more than \$480,000, was formally opened last night.

The new structure, seven stories in height and with 183 guest rooms, was thronged with Eugene people and out-of-town guests.

Approximately 400 attended the opening banquet.

F. A. Clark, one of the lessees of the hotel, is an ex-Portland man, having managed several hotels there.
