Take a Look at Yourself

That is the best way to decide the big question of Tailor-mades vs. Hand-me-downs.

The cost is practically the same, so all you have to do is choose between a suit that was made for anybody and nobody and one that is hand tailored for you alone.

Putting it on that basis the question isn't so large—everyone wants to look their best.

Facts—Not Claims

Oakland has proved—Owners have proved—and you can prove these facts about Oakland performance.

Flexibility—We do not hesitate to match Oakland's flexibility against that of any car. And by this we mean its lightning getaway, brilliant acceleration, instant responsiveness.

Power—Ability to travel at sustained high speed mile after mile—to take steep hills on high—to pull you through the toughest going—these are just a few of the thrills which the great power of Oakland's highly developed, six-cylinder engine gives you.

Control—Quick, sure braking and skidless stops with Oakland's time-proved four-wheel brakes—easy operation, thanks to automatic spark, centralized controls and easy gear shifting.

And adding full measure to your satisfaction are **Fisher Body, Duco Finish and Balloon Tires.**

We invite you to drive an Oakland Six and match its performance against that of any other car.
