steer throwers in the west will compete for the cash prizes being offered by the Bly Rodeo association. Courage, strength and science are some of the needed requisites of a man who attempts bulldogging. This means the bulldogger must leap from his broncho's saddle, catch and throw a longhorn steer and then hold its motionless in its upper lip with his own teeth. Injuries to bulldoggers are frequent and the sport is not overcrowded with contestants. This feature is but one of the many which the Bly people will stage at the fair grounds here in their big three-day Rodeo. Bucking horses, wild horse races, relay races, Indian pony races and all the other familiar Rodeo events will be given. Building Permit Totals Boosted By Ewauna Kiln Ewauna Box company, storehouse \$3500; Ewauna Box dry kiln, \$5000; Frank Ward dwelling, \$5000; Mrs. Pete Dedel, addition to dwelling \$500; C. L. Campbell, two dwellings, \$1500; Mrs. Eleanor Yaden, dwelling \$750; Alma R. Turner dwelling \$800; H. Barrow, garage \$250; B. C. Bergman, garage \$100; M. Campbell, dwelling \$150; John Hayes, garage, \$75; H. Gowley, dwelling \$200; M. Meredith, dwelling \$200; E. H. Bruner, dwelling, \$700; T. Westfall, dwelling, \$700; Stanley Martin, dwelling \$3500; Jess Brown, dwelling \$500; B. Kaye, dwelling \$50; Mrs. Sada Bates, garage \$50; W. H. Hawkins, garage, \$40; business block, C. E. Hamark, \$2000. GERMANS MUST SAVE BRUSSELS, June 23, (AP)—Germany can pay her reparations obligations only through a lower standard of living, longer working hours and greater production per hour, Sir Josiah Stamp, British economist and co-author of the Dawes plan, told the international chamber of commerce at today's meeting here. "Won't the bathing suits draw enough men to keep our coast lines protected all summer. Smart Habit for Little Miss The beautiful spring flowers smell sweet, but a tanning factory in Orleans, N. J., burned. The victory put the navy one up on Washington in the battles these rivals have staged in the past few years. They had met twice before, the midshipmen rowing to triumph in 1922, but losing in 1923 to the far westerners. Annapolis was not represented last year when Washington won again. Home Offices, Dodge Brothers Dealers from the Pacific Coast and adjoining States and many other invited guests. During the forenoon all were interested in inspecting the new factory and in becoming acquainted with the exceptional manufacturing facilities and with each other. "The establishing of this Pacific Coast Plant," said one of the officials from the Detroit factory, in speaking to the dealer, "marks another step forward in supplying the best truck value and the best service we can to our dealers and operators in our West Coast Territory. "It was gratifying to us that the official figures for the first quarter of 1925 showed Graham Brothers in first rank in the industry in the manufacture and sale of 1 1/2 ton trucks and second in the combined 1 and 1 1/2-ton field. "That there is a ready market for the production we plan for our factory here in Stockton is clearly indicated by the numbers of trucks shipped into the Pacific Coast districts during the first five months of this year. Take California, for example—during the first five months of 1925 sales of Graham Brothers have shown an increase of 107.3 per cent over sales of the corresponding months of 1924, and 163.6 per cent increase over 1923. Total sales of Graham Brothers trucks in the United States for the first five months of this year show an increase of 76 per cent over those of the same months last year. "Last year the states which are now to be supplied with trucks from Stockton absorbed over 11 per cent of Graham Brothers entire production. Indications are that this amount will be considerably exceeded by the end of this year." More Prompt Deliveries Mr. Wakefield local Dodge Brothers dealer is very enthusiastic in expressing his favorable opinion of Graham Brothers new factory since his return from attending the formal opening. "Ability to fit quickly any one of the 28 different types of standard bodies which Graham Brothers have designed to satisfy the requirements of over 400 different lines of bus-

Bulldogging Will Prove to Be Strong Feature of Rodeo to Be Held at Fairgrounds July 2-3-4

Bulldogging will be on the program as one of the exciting events of the big rodeo to be staged here July 2, 3 and 4, and some of the

steer throwers in the west will compete for the cash prizes being offered by the Bly Rodeo association. Courage, strength and science are some of the needed requisites of a man who attempts bulldogging. This means the bulldogger must leap from his broncho's saddle,

Naval Academy Wins Regatta

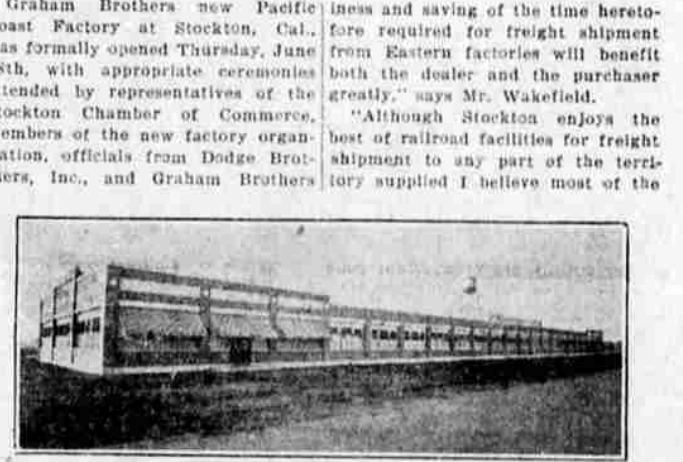

POUGHKEEPSIE, N. Y., June 23. (AP)—The eight oared crew of the Naval Academy again rules the intercollegiate seas as the result of the annual regatta on the Hudson, but not by such an overwhelming margin that the admirals have anything particular to brag about. Eight broad backed, brawny midshipmen brought the varsity rowing championship back east last evening by conquering Washington, two time champions, in a thrilling, spectacular four mile duel, but at the finish they were only three quarters of a length ahead and losing distance with every stroke. Washington's trans-continental quest for a third straight triumph—something that no crew has gained on the Hudson since Cornell did it in 1912—ended in failure but "Rusty" Callow's huskies lost no prestige. They had the power, the drive and strokes to match those of the navy, but they lost because they were out-maneuvered, out-guessed at the critical stage of the race. The navy owes its brilliant triumph, in the final analysis, more to superior strategy than anything else. It was the sudden spurt of the sailors, an unexpected and daring dash at the three mile mark that won the race for them. They jumped into a lead of a length and a quarter before Washington realized what was up, a margin which saved the day for the midshipmen. This sudden drive took most of the wind out of the navy's sails, but the momentum was enough to carry it on to victory in spite of Washington's closing rally. That final burst of the huskies to retain their title was beautiful to see, but it was an epilogue. Had there been another 100 yards, another story might have been told. The victory put the navy one up on Washington in the battles these rivals have staged in the past few years. They had met twice before, the midshipmen rowing to triumph in 1922, but losing in 1923 to the far westerners. Annapolis was not represented last year when Washington won again.

Building Permit Totals Boosted By Ewauna Kiln

Building permit totals for the week were boosted to \$71,915 by the request of the Ewauna Box company for permission to erect a dry kiln at an estimated cost of \$50,000. Remainder of the permits requested were for dwellings and garages principally. A list of the permits follows: Ewauna Box company, storehouse \$3500; Ewauna Box dry kiln, \$5000; Frank Ward dwelling, \$5000; Mrs. Pete Dedel, addition to dwelling \$500; C. L. Campbell, two dwellings, \$1500; Mrs. Eleanor Yaden, dwelling \$750; Alma R. Turner dwelling \$800; H. Barrow, garage \$250; B. C. Bergman, garage \$100; M. Campbell, dwelling \$150; John Hayes, garage, \$75; H. Gowley, dwelling \$200; M. Meredith, dwelling \$200; E. H. Bruner, dwelling, \$700; T. Westfall, dwelling, \$700; Stanley Martin, dwelling \$3500; Jess Brown, dwelling \$500; B. Kaye, dwelling \$50; Mrs. Sada Bates, garage \$50; W. H. Hawkins, garage, \$40; business block, C. E. Hamark, \$2000.

When Better Automobiles Are Built, Buick Will Build Them No. 21 Question: Why is Buick so generally accepted as the Standard of Comparison? Answer: Because for more than 21 years Buick consistently has nearest approached the ideal of a dependable motor car. Everyone commends your judgment when you buy a Buick. BUICK & STAR GARAGE Opposite White Pelican Hotel

Graham Brothers Open New Factory at Stockton, California

Graham Brothers new Pacific Coast Factory at Stockton, Cal., was formally opened Thursday, June 18th, with appropriate ceremonies attended by representatives of the Stockton Chamber of Commerce, members of the new factory organization, officials from Dodge Brothers, Inc., and Graham Brothers. Inness and saving of the time heretofore required for freight shipment from Eastern factories will benefit both the dealer and the purchaser greatly," says Mr. Wakefield. "Although Stockton enjoys the best of railroad facilities for freight shipment to any part of the territory supplied I believe most of the

CAUTION The thin, extremely flexible balloon casing, repaired by the old methods, leaves a hard, stiff section which throws the tire off balance and quickly ruins it. The Hawkinson System eliminates this difficulty by making a repair of remarkable strength—yet just as thin and pliable as the balloon tire. Badly injured balloon tires are not "through" if they are repaired the Hawkinson way. A trial will convince you. We guarantee each repair to OUTLAST THE TIRE, or your money back. All tires inspected FREE. ACE TIRE SHOP 115 South Eleventh
