

# You'll take to Granger right from the start

Granger has that full, rich "rounded-out" mellowness that every experienced pipe-smoker looks for in tobacco. For Granger is fine, ripe old Burley tobacco mellowed by Wellman's famous old 1870 method. And another thing, it's specially cut for pipes (rough cut, we call it) so that it burns slow and smokes sweet and cool right down to the very last flake.

## Snappy Boxing Card Ready for Local Fans Here Tomorrow Night

Local fighters today ended training for their bouts tomorrow night when the snappiest card in many months will be offered local fans at special reduced prices.

Further advices from the Chico district, where Kid Starkey has been fighting, indicate that Joe Coffman is due to have his hands full in the ten-round go with the stocky mauler tomorrow night.

Starkey is declared to have a tremendous wallop, three opponents who were forced to quit with broken ribs testifying to the effectiveness of his punch.

From the outside looking in, it would seem that Coffman's best chance is to make this a long-range battle. No fighter wants to see his ribs at infighting when the other man in the ring has already demonstrated that caved-in ribs are his specialty.

Despite the fact that Maurice Harris and Wilbur Harrington have met before, the semi-windup battle between these two is scheduled to be

different. Both have gained considerably in experience since their last meeting. They will fight six rounds at 140 pounds, providing Harris is not able before that time to repeat his previous knockout over Harrington.

Jack Davis and Billie Bunch, 140-pounders who will go four rounds, have been working out here for nearly a month and their ability to give and take is attested by fans who have watched them work out.

Tommy Harris of Ashland, new to the fight game, is to make his debut here against Babe Lightfoot, local boy who has been showing much improvement lately. Tommy Harris is an older brother of Maurice Harris who fights the semi-windup. His brother's success in the ring is declared to have decided him to try his hand at it. Although older than Maurice, he weighs only 125.

In the curtain raiser it was declared probable this afternoon that Young Gunboat Smith of Chico and

### Eight Errors Contribute to Pelican Downfall

In a wild catch-as-catch-can baseball game in which Yreka used three pitchers and Klamath Falls used one who was powerless to stop an avalanche of hits, Yreka's nine yesterday afternoon romped home with the winning end of a 16-13 score.

The game was ragged throughout. It was witnessed by a crowd of about 2,000.

Klamath Falls took the lead in the sixth inning when Mohler, local pitcher, was struck while at bat. After that the Yreka team seemed to hit everything he had to offer and the game resolved itself into a question of endurance.

Mohler had poor backing. The Pelicans made eight errors against two on the part of the Yreka nine. The game lasted three hours and four minutes.
