Floors So Easy to Clean

A NEW oak floor, waxed, polished, its satiny surface reflecting light like a mirror, is beautiful.

No matter how the years of hard service, mistreatment and neglect may scar and mar the surface of that floor, it requires only a little refinishing and its former beauty is fully restored.

That is the beauty of Long-Bell oak floors—they are BEAUTIFUL ALL THE WAY THROUGH. And since oak floors "outwear the house," it means you can have in the final analysis the least expensive floors, while at the same time having always beautiful floors.

Another thing about oak floors—they are so easy to keep clean. A little mopping now and then—that's all.

If you will give us the size of your rooms we will cheerfully advise you the cost of beautiful floors of Long-Bell oak flooring.

Prisoners Mix At County Jail; Two Teeth Gone

In a moshie-bout this morning in the county jail, F. A. Thomas got the newspaper decision over G. A. Camp and what promised to be a knockout was forestalled when guards intervened just as both fighters were beginning to display class.

All modern fighters battle for a purse and the mixup this morning was no exception. The purse in this instance, however, was a loaf of bread.

Thomas had the bread and put it under his arm with the joking remark that he was going to get out in a few days and would need it. He then repaired it on the table. Camp declared he wouldn't eat it and threw it in a garbage pail.

Thomas cut loose and in the melee Camp lost two teeth and had his head cut. Charges of assault will probably be preferred against Thomas. The man was indicted this morning by District Attorney Caleb Jones.

Thomas was due to be released July 2, and will probably now have a month added to his sentence, officials say.

At the PINE TREE

The screen version of Howard Rokey's popular novel, "This Woman," is to be the feature of the Pine Tree theater tonight.

The story deals with one of the most unique situations ever conceived. Carol Grayson, a student of music, alone, discouraged, poor, is compelled to sing on the street to earn some money. Euphrate Strain, the musical impresario of the day, and the wealthy Sturdevant's in front of whose home she is singing, call her into the house, and a strange business arrangement comes into existence. Carol is incorporated.

Having faith in her ability, the group agree to finance her musical education. The dividends on the stock are to be paid-out of her subsequent earnings. That is just the beginning of the plot.

Many more strange things happen, and the story winds up with an unexpected romance.

The cast, headed by Irene Rich, includes Ricardo Cortez, Louise Fazenda, Frank Elliott, Creighton Hale, Marc McDermott, Helen Dunbar, Clara Bow and Otto Hoffman.

Phil Rosen, director of "The Life of Abraham Lincoln" and "Being Respectable," has made another success of "This Woman."

At The LIBERTY

The disappearance of a large diamond from the necklace of a wealthy woman, and the substitution of a piece of worthless "paste," so-called, in its place, causes the arrest of a young jeweler's clerk in "The Great Diamond Mystery," the new Shirley Mason picture which comes to the Liberty theater Thursday. Trouble does not end there, however, for within a few hours after the precious gem is lost the head of the diamond firm is killed and the young clerk is accused of the murder.

GET AT THE CAUSE!

The Advice of a Resident of This Locality Shows a Way

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant backache, headaches and dizziness, life is indeed a burden. Doan's Pills—a stimulant diuretic to the kidneys—have brought peace and comfort to many Klamath Falls people. Profit by this Medford resident's experience:

J. H. Atwel, painter, 129 W. Eleventh St., Medford, Ore., says: "Doan's Pills are all that is claimed for them. I have taken Doan's on different occasions when suffering from backache and kidney weakness and they have always given me splendid relief."

FOUR YEARS LATER, Mr. Atwel said: "I gladly confirm all I said in my former statement, as

Daylight Saving Plan Postponed Till Next Year

Daylight saving went by the board today when brought up for discussion at the noon meeting of directors of the chamber of commerce yesterday.

Directors, while in favor of the plan, gave as their belief that the idea had been originated too late in the season and that further consideration of the matter be deferred until next year.

Action on the part of some mill owners who refused to consider the move at this time also had a bearing on the decision.

Action of certain contractors on the Dulles-California highway in burning slashings by the roadside and thus destroying trees along the right-of-way was brought to the attention of the directors in a letter written by R. S. Hamilton of Bend.

It was brought out that Klamath county road contracts provide for the burning of all slashings in the middle of the road under construction and the roads committee of the chamber was instructed to take the matter up with the county court.

\$1356 Cost Of Fish Licenses Here In June

A preliminary report on sales of fishing licenses in Klamath county during June reveals that they were sold to sportsmen to the amount of \$1356. The Gun Store, with a turn-in of \$997, led all others in sales. Few licenses are sold by the county clerk, most people preferring to buy them at a sporting goods store, the report, prepared by Loyd DeLap, reveals.
