### CAUTION

The thin, extremely flexible balloon casing, repaired by the old methods, leaves a hard, stiff section which throws the tire off balance and quickly ruins it. The Hawkison System eliminates this difficulty by making a repair of remarkable strength—yet just as thin and pliable as the balloon tire.

Badly injured balloon tires are not "through" if they are repaired the Hawkison way. A trial will convince you. We guarantee each repair to **OUTLAST THE TIRE**, or your money back. All tires inspected **FREE**.

### At The LIBERTY

Shirley Mason, oldest (in service, not years) of the William Fox stars with the exception of Tom Mix, is being seen at the Liberty Theater tonight in a picture the like of which she has not, at least in the memory of this humble reviewer, appeared before. It's a mystery picture—diamond disappears, man murdered—that sort of thing. But it's prime entertainment, to be sure. They call it "The Great Diamond Mystery."

### Beautiful Eyes

### At the PINE TREE

A pair of handcuffs caused Richard Dix no little discomfort during the filming of his latest Paramount picture, "Men and Women," which shows at the Pine Tree today.

In a dramatic scene in the production, which was adapted for the screen by Clara Beranger from the stage play by David Belasco and Henry C. DeMille, father of the Paramount producer, Dix silently confesses to the theft of some bank securities by slipping a pair of handcuffs over his wrists.

#### TO REVISE ESTIMATES

WASHINGTON, July 2.—With final figures in hand showing a \$250,000,000 surplus for the fiscal year ended Tuesday, treasury attention was turned today to a revision of estimates of receipts for the year now beginning. Orders to review all of the figures in detail were issued by Under Secretary Winston.

The only relief from the weather is to pretend you like it.

### Wool Fringe On This Shawl

HERE is a frock of black crepe embroidered with conventional designs in bright-colored wools that is worn with a cape of the same material, fringed in wool. The frock is a straightline model, with a round neckline and no sleeves, and the scarf may be worn with the point at the front or the back, to suit the fancy of the wearer.

### WIRTZ' MUSIC HOUSE

Geo. A. Wirtz, Prop.  
122 S. 6th St. Klamath Falls

Once just a Summer necessity—Now unsurpassed for all-year cooking!

THE modern oil-cookstove, with its wonderfully efficient speed-burners, perfected ovens and broilers, heat control, simplicity of parts, etc., gives you city cookstove service anywhere, and the year-round! No mussy fires to tend—noiseless, simple, safe!

But remember there's a big difference in kerosene and that the efficiency of your oil cookstove depends very largely on the kerosene you use. "Pearl Oil" means the "best" oil for oil cookstoves and heaters. It is refined and re-refined—that's why it's cleaner-burning, delivers flame that's all heat and why it won't corrode the metal parts of your equipment. Enjoy your oil cookstove to the utmost—be sure you order "Pearl Oil" by name!
