## 9 Reasons for World Leadership 9

**A** STARTLING New Washing Principle Has Been Created, so advanced, so different, so miraculous in efficiency, that women say they would not have believed it possible— **It's the GYRAFOAM!**

Now—at SUMMER CLEANING TIME—the MAYTAG Gyrafoam Washer will help you dispatch the mountains of work more thoroughly, more quickly and more easily than you ever dreamed possible. Now—when you take down all your curtains—when you drag out all of your floor mats—when you clean up all of the odd clothes and old, greasy overalls—when you wash up winter things before storing them away—only the MAYTAG will satisfy you—

**because** ONLY THE MAYTAG operates on the Gyrafoam Principle. No other washer can match its performance—equal its service—compare with its helpfulness.

ONLY THE MAYTAG washes a tub of clothes in the amazing flash of three to seven minutes.

ONLY THE MAYTAG washes so thoroughly that even such things as collars, cuffs and neck-bands need no rubbing.

ONLY THE MAYTAG has a cast aluminum, self-cleaning tub—unequaled for keeping water hot—a tub which cleans itself in 30 seconds even after washing the grimmest overalls.

ONLY THE MAYTAG has a low, instant tension-release, metal wringer, that swings into seven positions and adjusts itself automatically for handkerchiefs or blankets.

You can prove all this in your own home during your SUMMER HOUSE CLEANING WORK, or sooner. Telephone and we will be glad to bring a washer right over to your home. Use the Maytag for your Summer Cleaning Washing. The only obligation is one you owe yourself—because—if the washer doesn't SELL ITSELF—don't keep it!
