Beauty Performance Price Not one But All Three

Those who want a moderate-priced car need no longer sacrifice something of beauty, or of performance. For now—they can buy an Oldsmobile Six, and get, not one, or two, but all three of these qualities. More expensive cars do equal its beauty and match its performance. But what other one car offers comparable beauty and comparable performance at a comparable price? By far the most convincing proof we can offer is the car itself. Just look at it—then drive it—and your admiration will be won! Telephone or call and we will gladly loan you a car.
