

Often 50,000 Miles Without a Carbon-Sign!

That's a common record with Aristo. This western oil is economical to begin with—it costs less than many other motor oils—but its greatest saving is in the end.

Perhaps the most confusing thing about motor oils is the matter of price. Eastern oils, for example, cost more—chiefly because they carry heavy freight rates.

Western oils, actually superior lubricants, are thus obviously the most economical. And particularly is this true of Aristo Motor Oil.

Aristo's greatest saving, however, is not in its price. It's in that most

formidable of items—motor up-keep.

Aristo combats the formation of carbon. And as a lubricant it has no peer.

The makers of Aristo have a pride in their product which takes no account of costs. It could sell for twice as much and not be a better oil.

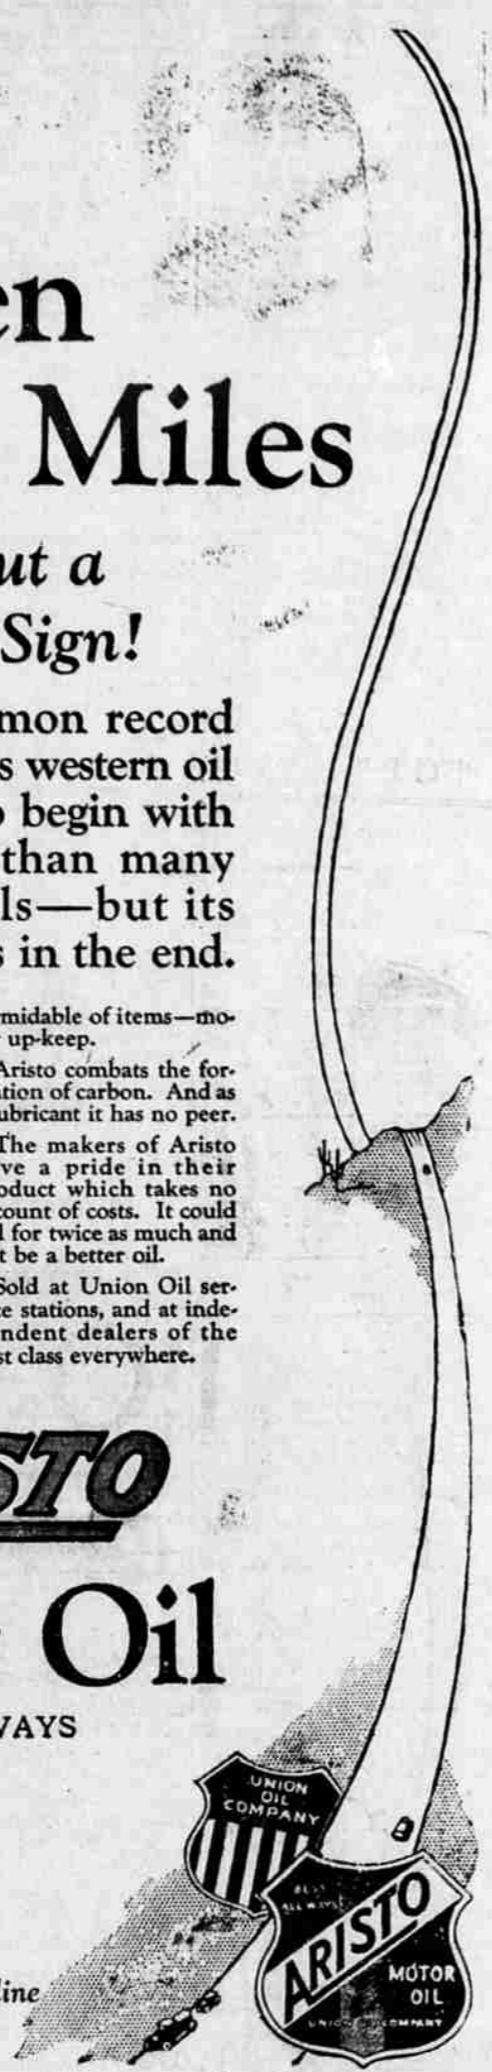

Sold at Union Oil service stations, and at independent dealers of the first class everywhere.

At the PINE TREE

The Pine Tree special vaudeville numbers for Thursday, Friday and Saturday will be something entirely new to Klamath Falls audiences. Frances Ferguson's Golden Gate Girls are far above the average show company and to miss seeing this bevy of singing, dancing and instrumental array of talented girls will be to miss one of the most entertaining attractions of the season.

The Golden Gate Revue, a rare gathering of clever dancers, singers and musicians present a miniature revue, a dazzling program of interpretive, acrobatic, Spanish, Oriental and toe dancing, singing and various specialties.

The Paige Sisters offer a repertoire of beautiful dances. Little winsome Lillian Kyle, nature's own comic mimic, will offer her own version of the monkey in the zoo. Jessie Lee will sing "Blues" and Alice Heath, a saxophonist extraordinary, will play the latest melodies. In addition, there is the Golden Gate Girls own orchestra, which is well worth hearing.

When are bachelors not bachelors? That is a question that many would like answered, yet Matt Moore, with the help of Dorothy Devore, presents just that ambiguous condition in "The Narrow Street," that is running at the Pine Tree theater.

Dorothy Devore is his wife, in the eyes of the world, but he's a bachelor in spite of his fast-growing desire not to be. With the startling suddenness of an apparition, Dorothy Devore, in the role of a police-hunted girl, is discovered by the bashful bachelor, Simon Haldane, right in the privacy of his home. From then on the fun is fast and furious, William Beaudine, director of "The Narrow Street," having woven together a very humorous mystery tale.

At The LIBERTY

Remember when you were a youngster and you went to the old playhouse to see that mystery drama? Remember the whispering before the curtain rose—how it was quickly hushed?

And then do you recall the shivers that zig-zagged up your spine when the house went dark in the most trembly part?

Remember how you planned to be a detective when you grew up—how you would jail the villains, or throw him in the river or blow him up—and then marry the heroine?

Suppose you could see another mystery play on the screen; just as gripping as that other one, way back when thrills were thrills—

Wouldn't you go to see that show?

It's at the Liberty tonight and is called "Champion of Lost Causes."

Many Visitors At Crater Lake Park

(Special to The Herald)
CRATER LAKE, July 9.—Klamath Falls took advantage of the two successive holidays, July 4 and 5, not only to enjoy the festival occasion that accompanied the rodeo, but also to hie away for the rest and recreation that their own local national park gives them. No less than 72 cars carrying 294 persons registered at the south entrance to Crater Lake on these two days.
Cars began arriving before 5 a. m. Saturday and continued to flow into the park till long after the shadows had gathered thickly in the stately pines that line the Anna Creek road. Many, visiting the lake for their first time, stopped on their return to the ranger station to express with considerable enthusiasm their appreciation of the natural wonders and exquisite scenery that lie within two hours' drive of Klamath Falls, and promised to visit the lake many times during the season.
Those registering cars at the south entrance July 4 were: W. J. Crank, W. T. Elliott, W. C. Little, Merritt Wanser, J. C. Van Blargan, James E. Smith, G. C. Gorous, Albert

Powell and Dale Are Bought Out By Joe P. Brett

Announcement was made today of the sale of the Willys Knight and Overland agencies by A. J. Powell and R. C. Dale to J. P. Brett. Mr. Brett assumed possession of the agency today.
The sale, beside the two agencies, includes the new garage, recently constructed on the corner of Fourth and Klamath, and it will be in this building that Mr. Brett will carry on his business.
A shipment of Willys Knight and Overland cars was received last night by Mr. Brett and are now ready for distribution.
Future plans of Mr. Powell are not known, but Mr. Dale will be connected with Mr. Brett's concern hereafter.
