**MAULIFFS AT LAKEVIEW**  
Will Plan to Remain With Mr. McAuliffe Until He Is Moved  
Mr. and Mrs. Dave McAuliffe motored to Lakeview this morning, where they plan to remain until Jack McAuliffe is able to be moved to the city, where he will be placed in a local hospital. At the present time friends of Mr. McAuliffe doubt that he will be able to be moved this week, however, he is very anxious to return here tomorrow if the attending physician feels he can stand the long trip. His condition continues to improve slowly and his host of friends here are glad to learn he is now able to sit up for a short while each day.

**CAUTION**

The thin, extremely flexible balloon casing, repaired by the old methods, leaves a hard, stiff section which throws the tire off balance and quickly ruins it. The Hawkinson System eliminates this difficulty by making a repair of remarkable strength—yet just as thin and pliable as the balloon tire.

Badly injured balloon tires are not "through" IF they are repaired the Hawkinson way. A trial will convince you. We guarantee each repair to **OUTLAST THE TIRE**, or your money back. All tires inspected **FREE**.
