Read of the far reaching effects of Vocal Mud in the following testimonial

Dear Mr. Gunn:-

Night after night I have been kept awake by several cats which were howling in our back yard. They made such a racket I couldn't sleep

In my anger I grabbed a sample jar of "Magic Mud" and threw it at them. The jar struck the fence and broke, splattering the cats with the contents

The treatment has made their voices so musical that they now lull the entire neighborhood to sleep. Am enclosing \$10.00 for the sample. It's worth it.

The company of movie stars, to the number of 75 and including Norman Kerry and Dustin Farnum, will arrive here Monday, July 20. The company will be directed by Edward Sedgwick. Gigantic Still Is Taken By Sheriff

PENDLETON, Ore., July 15.—What the sheriff's office of Umatilla county declares to be the largest still ever taken in this county was seized last night near the Washington state line northwest of Free-water by members of the sheriff's forces of Umatilla county in Oregon and Walla Walla county in Washington. The still had a capacity of about 250 gallons of moonshine every 24 hours. It was seized on the James Fraezier ranch near the state line.

James Fraezier and a son, Earl, were arrested. Both were charged with operation of a still and bonds for the elder Fraezier were set at \$5000 and for the younger \$2500. Neither bond was posted.
