LOOK OUT FOR SELF POISONING

Neglect of the liver results in self-poisoning! Not so quickly, perhaps, but just as surely as if you drank poison out of a bottle. If your liver is not doing its work of helping digestion, eliminating waste from the bowels and purifying the blood, you will always be troubled with sick headaches, nausea, biliousness, bad breath, gas, sour stomach, or constipation.

Cleanse and tone your liver! Put your system in condition so you feel your very best again! Try just a spoonful of Dr. H. S. Thacher's excellent Liver and Blood Syrup after the next few meals and notice the quick improvement in the way you eat, sleep, look and feel—the return of strength, vigor and energy. You will be completely satisfied; otherwise, there will be no cost. Dr. Thacher's Liver and Blood Syrup is sold and recommended by Star Drug Store and all other leading druggists. —Adv.

Who is Your Skinny Friend Ethel?

Tell him to take Cod Liver Oil for a couple of months and get enough good healthy flesh on his bones to look like a real man.

Tell him, it's the only way to take those grave-like hollows from his cheeks and neck.

Tell him he won't have to swallow the nasty oil with the nauseating fishy taste, because the McCoy Laboratories, of New York are now putting up Cod Liver Oil in sugar coated tablet form.

Ask for McCoy's Cod Liver Oil Compound Tablets. The Star Drug Store, Underwood's Pharmacy, Whitmore's Drug Co., and every drug-dog that worthy the name sells them—60 tablets—60 cents. Any man or woman can put on five pounds of healthy flesh in 30 days or your druggist will willingly refund the purchase price.

One woman put on 15 pounds in six weeks. Children grow robust and strong—Feeble old people feel younger in a few weeks. "Be sure to get McCoy's, the original and genuine Cod Liver Oil Compound Tablets." —Adv.
