"Everything Hazy"
—Ever hear people say it?
—Maybe you experience the sensation yourself.
—It is nature's warning that your eye sight is failing.
—Heed this warning before it is too late.
—Have your eyes examined and KNOWN.
—I have relieved many hundreds of your neighbors and friends and I can help you.

For That Picnic

The most important part of your picnic trip consists of the quality and the desirability of the things you eat. Of the things you take to eat—your meat does you the most good. It is important that this meat comes from a shop that spares no effort in serving you with the best to be bought at prices that are within reason. With our modern equipment and low overhead—our prices and quality are the best to be found.
