KLAMATH FARMS STRIPPED BARE

(Continued From Page One)

terady. Driscoll lost approximately 20 acres of second growth alfalfa. Other farms of Poe valley were affected, slightly, Mr. Sexton said. On the upper project, Bruce Gaddis' farm near Henley was found to be ravaged by the pest. The following ranches in the Tule lake section were inspected yesterday...

THE EVENING HERALD'S CLASSIFIED AD SECTION

view of drowning out the blight, has proved unsuccessful. Mr. Chorpaling reported, Seventy-five per cent of the worms on one ranch, were alive after having been under water for 24 hours. Investigation disclosed that there were four types of the army worm, two types of which are working during the day time and two during the night time.

Unless farmers realize the seriousness of the situation and work indefatigably with poison, toward the control and eradication of these infestation, the situation will gradually become worse.

FRED GLOVER TO BE FIRED SOON

(Continued From Page One)

fective as acting head of the team. It is held.

Names Suggested Many names have been suggested, but in general the name of Bert Cook seems to be the most popular. Other names mentioned were Demitt, Noel, Red Watts, captain, and Mathews. Cook when interviewed by a Herald reporter this morning said that if he were offered the position of manager by the board of directors, he would hesitate to accept owing to pressure of business.

Mathews, declined to discuss the situation at all. "I helped organize the team, but now I am only a player, so I don't want to commit myself," Mathews said.

A rumor, was in circulation today that Mohler, pitcher, had quit the team. This was found to be untrue when it became known that Mohler with "Red" Watts had left for Portland for several days to secure some personal effects before fall. They are expected back late this week.

The team is reported intact, and the morale high with the prospect of securing a new leader of the Pelican nine.

COMMUNISTS OF VIENNA EMPLOY NEW METHOD OF DEMONSTRATION

VIENNA. (AP)—A new method of demonstrating has been hit upon by the communists of Vienna. Effectually to stop all traffic of a street, several hundred unemployed communists and war invalids lay down on the rails of the street cars in the city's principal street. It took the police more than an hour to clear the tracks so that traffic could be resumed. Whenever 20 or 50 of the weary communists had been induced to get up and seek their repose elsewhere, the same number would stretch out on the rails farther on. The entire performance was a source of unalloyed pleasure for the humorously inclined Viennese.
