Preacher Cleared Of All Charges

WAUPACA, Wis., July 25. (AP)—Dr. Charles E. Hunt, pastor of Christ Presbyterian church, Madison, Wis., today stood clear of all charges of heresy placed against him by a group of clergymen of the Madison Presbytery...

The committee report sustained the findings of the Madison Presbytery which cleared Dr. Hunt of heresy charged last November. The synod immediately adopted the committee report which censured the Madison group of clergymen for bringing the charges against Dr. Hunt on what it termed insufficient evidence.

Charges on which Dr. Hunt was freed include: Affirmation by him of evolution, with a declaration that life developed on earth long before appearance of man; statement that Genesis is a crude yet noble conception of God, as the creator, and signature of Dr. Hunt to a petition asking support of Dr. Harry Emerson Fosdick in his religious views.

Farmers Using Horses Again

PORTLAND, Ore., July 25. (AP)—Dr. John R. Mohler, chief of the bureau of animal industry of the department of agriculture, here attending the annual convention of the American veterinary medical association, declared today that "Old Dobbin" is coming back into his own on the farms in the middle west.

Farmers, learning that they cannot produce feed for tractors, are turning back to the horse for work and many are breeding to replace the animals, said Dr. Mohler. He said that Ohio and Indiana are taking the lead in breeding horses for replacement. But that all the central west farmers are following.
