

WILLYS-KNIGHT

Fine Motor Cars

ENGINEERED TO ENDURE

This is the car noted throughout the world for the patented sleeve valve motor, that never needs carbon cleaning, valve grinding, etc. Willys-Knight owners often report up to 50,000 miles without spending one dollar on their engine, and there are plenty of Willys-Knights still in service that have past the 100,000 mile mark. If you don't know about this wonderful car ask the first owner you meet what he thinks of it.
