Many Rumors Of New Buick Models

Is Buick going to come out with a straight eight?
Is Buick about to announce a low-priced six?

Will Buick discontinue the famous valve-in-head motor?
Will the 1926 Buicks have much greater horsepower than their predecessors?
Will Buick prices be higher—or lower?

Are the new Buicks going to feature the new two-tone color effects?

These are only a few of the countless questions being asked these days at local Buick headquarters. A hundred rumors concerning 1926 Buick activities fill the air. For Buick will present its 1926 models on Saturday, August 1, and as usual this annual presentation is looked forward to as the most important event of the year by thousands of interested motorists.

H. E. Hauger, Buick dealer here, steadfastly refuses to discuss any details of the new Buick models prior to their unveiling at the local Buick sales establishment, on Saturday. He will neither deny nor confirm a single rumor.

That the 1926 Buicks contain many absolutely new and sensationally valuable features, Hauger does admit. He points to the recent statement of President H. H. Bassett of the Buick factory, in which the Buick president states positively that Buick will continue to improve its product each year. Buick employs a great corps of famous engineers and spends a vast sum annually in the perfection of new and improved features for Buick automobiles.

Last year all records were broken by the tremendous rush of visitors to see the new Buicks the day they were announced.

Lumber Co. Piler Suffers Bruises When Boards Fall

Fred Warner, a green lumber piler of the Pelican Bay Lumber company, was slightly injured yesterday in the lumber yard of the mill, when a pile of green lumber toppled over on top of him. He is recovering at the Klamath General hospital from severe bruises and cuts about the head and bruises on the legs and body. He will be in the hospital for several days according to hospital authorities.

At the PINE TREE

Pictures come and pictures go, but "The Age of Innocence," which opens at the Pine Tree today for a two days' run, starts out of one's accustomed attitude toward the movies.

It is the most charmingly visualized story ever seen, giving an absolutely faithful picture of the novel from the pen of Edith Wharton, which won the Pulitzer prize in 1922.

At The LIBERTY

Wilfred Lucas, who is well known to movie fans has written a scenario and it is the subject of the picture "The Beautiful Sinner," which will show at the Liberty theater today and tomorrow.

The story is the tale of a young criminologist who has helped the secret service and the police in the apprehension of a notorious band of jewel thieves.

BUESING BRINGS SUITS

August Buesing this morning brought three suits for the collection of small sums due, it was alleged, on promissory notes. In one suit he asks for \$150 from Julia Swindler and E. W. Roberts plus \$50 for attorneys fees; in the second he claims \$90.85 from Amanda Phillips and Rosina Klak plus \$40 attorneys fees; and in the third he asks for \$32 plus \$15 attorneys fees from Charles Storey.

SISTERS ARRIVE

Make Trip From Lewiston, Idaho by Stage; to Locate Here

The Misses Ada and Margaret Mitchell of Lewiston, Idaho, arrived in Klamath Falls yesterday by stage and plan to locate here, with their mother, Mrs. L. Mitchell.

TO WLUL-KSE BEACH

A number of local girls are leaving after office hours this evening for Wul-Kse beach for a picnic lunch and swimming party. In the party are: Vera Houston, Vera Offield, Minnie Barnum, Lydia Fricke, Irma Dixon, Edith McGann, Mary Wilson, Dehlla Hawkins, Elda Beal, Carlotta Clark, Cordella Cantrell, Kathryn Hamilton, Delpha Terrill and Gertrude Coffey.

Value and Service Thru the Years

—Service is of many meanings—it extends from the style of the hat brims to the tips of the shoes—and across the years.

—It implies courtesy, dependability and understanding and is as unending as the law of growth.

—Sugarman service has grown up with Klamath Falls and is ever branching out like Klamath Falls.

—It is seen each day with every Sugarman purchase you make—in the color of your tie—in the becomingness of your suit—in the comfortableness of your shoes.

—It is ever a privilege to bring to you the clothing—which America marks as its best—we are grateful for your appreciation and support which for the past 19 years has marked this store as the outstanding Mens apparel store in Klamath Falls.

"I Ain't Mad at Nobody"

It's as Easy to Travel with a Hartmann as with Hand Luggage

Even on short trips, men and women particular about their appearance find great satisfaction in taking along apparel suitable for every occasion.

Your garments when taken out of a Hartmann at the journey's end are sure to be clean, fresh and immaculate, just as they came from the valet.

The Hartmann Taxi-steamer is almost hand luggage in convenience—yet affords the additional advantages of a complete, modern wardrobe trunk.

We'll be glad to show you this popular short-trip companion, and the other sizes and styles in our stock. You will find that we have just the kind of a Hartmann you need at the price you want to pay.

- Wardrobe Trunks \$ 39.00 to \$115
- Steamers \$12.50 to \$27.50
- Dressing Trunks \$15.00 to \$37.50
- Suit Cases \$ 2.50 to \$25.00
- Travelling Bags \$ 5.00 to \$35.00
- Vanities \$ 7.50 to \$17.50
- Hat Cases \$ 7.50 to \$17.50

You'd rather wear

Flannel Trousers

than none at all—

—and after you tried a pair on you'd be more convinced than ever that they are the most comfortable, style characterizing and sensible thing you ever wore.

A pair from Sugarman's insure best patterns, materials, style and price.

\$7.50 \$8.50 \$10 to \$12.50

"I ain't mad at nobody"

NOTICE

Owing to our inability to collect for milk delivered to the homes of Klamath Falls residents, we the undersigned distributors hereby agree to retail the milk products handled by us for cash only.

This agreement to go into effect August 1, 1925.

The dairymen of this city are losing many dollars each month through people refusing to pay the milk man. Therefore we are forced to ask everybody to pay cash in advance, as in other cities, for the milk we deliver.

We will consider the 15th of August as the last date for cash settlement for the month of August. Thereafter we will expect all accounts to be paid for on the first of each month. If accounts are not paid by the 10th of each month we will discontinue the serving of milk and notify the credit association of our action that all dairymen in the city may know.

- East Side Dairy
- Holliday Dairy
- Miller Hill Dairy
- Klamath Falls Creamery
- Lost River Dairy

Lightning Fires Are Controlled

A number of small lightning fires in northeastern Klamath on Antelope and Sugar Pine mountains, which worried fire fighters for several days because of the danger of developing to large proportions, are now under control, is the word received today by the Klamath Forest Protective Association. Forest rangers are at the scene of the small blazes, watching them closely lest low humidity induce a serious outbreak. The timber threatened by the small blazes was largely of the Weyerhaeuser Timber company holdings.

Venetian Barge To Be Scrapped Soon

The Venetian barge, upon which dances have been staged during the summer, will be dismantled within the next two or three weeks, according to John Houston, one of the owners.

"We have set no date for the dismantling of the barge," Mr. Houston said. "It might be two or three weeks. There will be dances given on the barge next week probably and maybe the week following that."

Program For T. B. Inspector Given

Dr. George D. Bishop, veterinary inspector of the T. B. Eradication Division of the U. S. Bureau of Animal Industry will begin his labors in Klamath county Monday morning, August 3rd, in the Fort Klamath and Algoma sections. Stock and dairymen who have not communicated with the county agents office requesting this service should do so at once, as Dr. E. D. Lamb, deputy State Dairy and Food Inspector as well as City Inspector, announces that on or after August 21st, dairymen who sell raw or whole milk, buttermilk or other milk products, must be able to show a certificate of health on their animals, within date of six months.

Testing by the U. S. Inspector is without charge but an itinerary must be arranged and no district can be retraversed, as the injection is made one day and the results read the third day following. This necessitates the inspector calling twice in each district and our county is so large and many of the dairy

ranches so far removed from town, that a second trip to include two or three head omitted in the first listing, cannot be made.

Also livestock exhibitors for the County Fair must show certificate for T. B. inspection within one year of the fair. This is a state law and the office of State Veterinarian warns us, will be rigidly enforced this year.

Tuesday, August 4th, Dr. Bishop will work in the city, Shippington, Pelican City and nearby ranches; Wednesday the 5th, west of Merrill Route and Midland. The remainder of the week will be devoted to reading results in the three communities. Schedules for the following week will be prepared and published later.

McAULIFFE DOING NICELY Although Suffering with Rheumatism Condition is Good

While suffering with an attack of rheumatism which was brought on by cold, Jack McAuliffe is improving rapidly and within a short time the attending physicians intend to start grafting skin on his burned limb. McAuliffe was brought into the city Tuesday from the McAuliffe home at Fort Klamath on account of the weather being too cold at the ranch home. With his condition proving so satisfactorily, it is hoped that before long he will be able to be on his feet for a short while each day.

LEAVING TODAY To Make Futures Home is Chiloquin Where they Have Business

Warren Crooks and Mortimer Lee left this afternoon for Chiloquin where they will open the new Golden Rule store on Saturday. During the past week Crooks and Lee have been making trips between here and Chiloquin taking fixtures and merchandise to the new location. Mr. Crooks plans to move his family to Chiloquin in the near future. Both men were formerly connected with the Golden Rule store here.

CAUTION

The thin, extremely flexible balloon casing, repaired by the old methods, leaves a hard, stiff section which throws the tire off balance and quickly ruins it. The Hawkinson System eliminates this difficulty by making a repair of remarkable strength—yet just as thin and pliable as the balloon tire.

Badly injured balloon tires are not "through" IF they are repaired the Hawkinson way. A trial will convince you. We guarantee each repair to OUTLAST THE TIRE, or your money back. All tires inspected FREE.
