K. C. to Stage Picnic Sunday

Hayden's Meadow on the Ashland-Klamath Falls highway, a distance of about twenty five miles from Klamath Falls, will be the scene of one of the largest picnics of the summer months on next Sunday, when the Knights of Columbus of Medford, Ashland and Klamath Falls will join for a picnic.

Plans have been under way by the members of the order for several days to complete an extensive out of doors program which assures entertainment for the young and old. Hayden's Meadow is conceded to be one of the most ideal picnic grounds along the highway, affording as it does an abundance of luxurrious shade trees and an immense stretch of carpety green for games and races.

All picnickers will bring their own picnic lunch and hot coffee will be served by the Knights.

Immediately following the last mass, the last cars will leave for the grounds shortly after 10 o'clock from the front of the Lyceum hall. It is urged by the Knights that those not having transportation should be at the hall at that time.

The picnic is for all members of the order and their friends, and the committee in charge will greatly appreciate word from those having extra space in their motor cars to take additional passengers.

Park Board Meet Open to Public

When the city park board meets tonight in the council chambers of the city hall with representatives of the Southern Pacific and Great Northern railroad companies for the purpose of coming to some agreement for the sale of the South Riverside park property to either railroad or both, it will be with the distinct understanding that the meeting is public.

This was the announcement made last night by Mayor Goddard. A number of citizens think that the meeting is private, whereas any meeting in the city hall is open to the public, the mayor explained.

The mayor invited the council to attend the meeting holding that a matter of vital concern to the city was to be taken up and probably decided.

Kendall Now Goes By Name of Judge

Deputy Sheriff Named Temporary Justice of the Peace in Klamath

Ed Kendall yesterday afternoon was appointed temporary justice of the peace, during the serious illness of R. E. Hunsaker.

Jo Kimsey, former jailer, was moved up the ladder to Kendall's place as deputy sheriff entrusted with outside work.

J. M. Moneymaker, was appointed county jailer to fill the vacancy left by Kimsey.

Thus, as a result of the indefinite absence of Hunsaker, three changes have been effected in the law enforcement group of the county.

Kendall's appointment will hold until Hunsaker returns. He was appointed yesterday afternoon by the county court and heard his first case last week.

Smoke Hangs Over Klamath Forests; Rangers Can't See

A smoke screen that is hanging over timbered areas of Klamath prevents forest fire look-outs from spotting blazes and hence the Klamath Forest Protective association is in the dark concerning the forest fire situation in Klamath today.

"So far as we know, the smoke is coming from fires from outside the county", Jack Kimball, secretary of the association said today.

"What we need now is the co-operation of the public in notifying us if they see a fire in the forest, however, small it may be, for the efforts of our look-outs to spot fires is virtually nullified by the smoke screen."
