BOY CONFESSES HE KILLED MAN AND STOLE CAR

Autoist Who Gave "Fred Jordan" a "Lift" in Coupe is Murder Victim

COUPE IS RECOVERED Youth Apprehended as He Drove Blood Stained Car Through Town

KANSAS CITY, Mo., Aug. 12, (P)—Search was under way today along highways west of California, Missouri for the body of Adam Clawson, 43, of Cedarhurst, N. Y., a school teacher. Authorities at Garden City, Kansas, are holding a youth who calls himself "Fred Jordan", and who has confessed he slew Clawson after the latter had given him a "lift" in his coupe. The youth, who yesterday confessed to having murdered Clawson, was arrested in Garden City, August 3, when officers there became suspicious of the blood-stained car he was driving. The car was identified by its license plates, but up until yesterday the boy denied any knowledge of Clawson. Late yesterday however, he broke down and signed a confession, telling how he had given him a ride. He drew a gun, he said, and when Clawson struck at him, fired. He took the wheel, drove on and dumped the body into a ditch near a culvert. The car was identified by its license plates, but up until yesterday the boy denied any knowledge of Clawson. VETERAN CUTTER GOES ON ROCKS

(Continued From Page One) the naval district at San Francisco. A wireless message from the Bear received at San Francisco said that the vessel was pounding slightly. Crew still safe. Dispatches to the coast guard service said the cutter Bear was resting on the sand bar in an easy position in ample water and that no fears for her safety were entertained. The Algonquin should reach the Bear tomorrow evening and should be able to release her unless the Bear is able sooner to unpeg herself free. The Bear steamed from here May 16 on her thirty seventh annual cruise into the Arctic ocean. The summer had been uneventful for the old wooden steamer, which is to be replaced after this trip by a new steel cutter costing \$1,000,000.

Her Final Voyage For several years the Bear, like Adelling Patti on her last tour, has gone into the Arctic "for the last time." But now the money to replace her has been appropriated and the coast guard has received from officers in its service and from experts outside, a volume of suggestions from which to build a super-cutter. So the men of the coast guard have come at last to believe that the veteran of nearly half a century of cruising the loneliest and most dangerous of the seven seas is going to make her exit—is going to make her farewell—being law, medicine and theology to the Arctic coast of Alaska for two generations. Last year the Bear damaged her propellers, but after repairs at Dutch Harbor in the Aleutian Islands she crept to San Francisco with her sails.

LAKEVIEW The Kent, with his wife and daughter have returned to Lakeview after an extended motor trip through California. Mr. and Mrs. F. Zim Baldwin of the Lakeview garage left Thursday by auto for Headburg, California, where they will visit a few days with friends, after which they will continue on to San Francisco on a short business trip before returning to Lakeview. They expect to be gone a week or ten days. The forest road, from Burnt creek to Dismal creek, a distance of about five miles, which is being constructed by the Fremont National Forest Service, is rapidly nearing completion. This road, when finished, will make Deep Creek, which is one of the best fishing streams in Lake county, easily accessible to motorists and that stream will no doubt be visited by a large number of people each year. The forest service has built some very excellent roads in this county which are greatly appreciated and make it a pleasure to drive out to the many ideal mountain camps in the Fremont National forest to spend the week ends through the summer months. The Misses Mable Hotchkiss, Kate Gott, Helen Minthorn and Doris Spangberg left this week by auto for a trip through the western part of the state.
