BUCK JONES

in

"THE ARIZONA ROMEO"

We think this is the best cowboy picture "Buck" ever made, and that's saying a good deal. He is the favorite Western actor of the Liberty force and we ought to be able to judge—we see, and all. When you see this one, you'll "star" Buck, too.

A good comedy called "THE QUEEN OF ACES" and a timely News-Reel complete a program that will give you two hours of solid enjoyment.

RANDELL SALE RECORDED

Sale of seven and one half acres of land lying along the southern shore of Ewauna lake, on the west side, to the Oregon Trunk railroad by George H. Randell was recorded at the county clerk's office this morning. The property is one of many pieces that were purchased by the Northern lines for a right-of-way. The property sold for approximately \$7500.

Superfluous Hair Rid FOREVER —or No Cost

Why tolerate unsightly hair on your face, neck, arms or legs when it can be removed quickly and safely—roots and all? Don't use expensive electric treatments, nor be a slave to a razor or ordinary depilatories which merely burn off surface hairs, and often strengthen the hair roots. A marvelous new magnetic balm, which is applied almost as easily as cold cream, loosens every unsightly hair and gently lifts it out, root and all, leaving the skin healthy, clear and beautiful. No pain, no odor, no discomfort. Absolutely harmless. Try it on this guarantee—that it will absolutely rid you of superfluous hair forever—or no cost. Karma, as this new discovery is called, may be purchased at all good dealers, such as:

C. H. Underwood, Whitman & Waggoner, Curran's Drug Store, Southern Oregon Pharmacy.

At the PINE TREE

A packed house last night approved of the unusually good vaudeville bill presented at the Pine Tree, which will be repeated tonight. The juggler, Robert Belling, does a little of everything and does it well, and his acrobatic Russian dance brings the act to a perfect finish. McLaughlin & Tigar are a team of funmakers who are sure to please with their way of rendering comedy and character songs. The three Belmans are one of the best acts of the kind in the business which is replete with thrills and mid-air exploits. Morton & Donnie were here a year ago and made a decided hit as the "Squirrel Dodgers." Keith & Grear present a selected program of classical and popular melodies which will be a treat to all music lovers. Taken all together, it is one of the best programs that has been here for a long time.

Anna Q. Nilsson and Lewis Stone, assisted by a fine cast, reach dramatic heights in "The Talker," the feature picture of the evening. It is a drama of women who forget—a wife who was a talker and almost broke up her home until she learned that Silence Was Golden.

At The LIBERTY

A most unusual picture directed by Edmund Mortimer in fact one of the real unusual productions of the year is "The Arizona Romeo," which comes to the Liberty theater tonight for an engagement of two days.
