

-now 75 Horse Power

Buick Performance steps further ahead in World Leadership

The Valve-in-Head engine in the Better Buick Master models delivers more than 75 horsepower! Extra power has been added to the extra power always a feature of Buick's famous engine.

Even drivers of previous Buicks will be amazed at the performance the Better Buick now places at their command. The higher efficiency of the engine in the Better Buick includes the same economical consumption of gasoline and oil that has distinguished all past Buicks.

And the Better Buick now leads the world in protection for engine and driving units. Three new seals have been added to Buick's famous Sealed Chassis. An air cleaner, a gasoline filter, and an oil filter now insure clean air, oil and gasoline for the engine.

Drive one of the Better Buicks. Know how much the new 75 horsepower Standard of Performance adds to the pleasure of Buick's ownership.

You never again will be satisfied with the power and performance of the ordinary motor car.

MAINLY ABOUT PEOPLE

ARRANGES FOR LECTURE

Miss Snedecor Here from Medford in Interests of Fair There

Miss Jane Snedecor of Medford, who formerly resided here, spent Monday in the city making arrangements for the lecture here on Saturday to be given by Watterson Lowe an interior decorator from New York City, who is making a tour of the west, and has given lectures in a number of the leading cities along the coast. Miss Snedecor is in charge of the Woman's building of the fair to be held near Medford this year and is anxious that the city of Klamath Falls be well represented in all divisions.

According to Miss Snedecor, all tourists are to be admitted to the fair free of charge and for this reason it is especially desired that the photographic division of the art section receive special attention. While here Miss Snedecor arranged with R. E. Stinson for the use of one of his most beautiful pictures of Crater Lake during the fair in the valley city.

Another added feature of the fair this year will be the commercial exhibits to be put up by women who are manufacturing in their own homes. Miss Snedecor wishes to impress this upon the minds of the members of the Business Women's club. Exhibits will be received from all southern Oregon and northern California cities and those interested and desiring information are asked to get in touch with Miss Snedecor, addressing her mail to Medford.

Miss Snedecor returned home with a party of friends by way of Crater Lake.

Seiberling Cords

Spell To Klamath County Motorists

It really doesn't make any difference what make of car you drive—where you drive it or how long the fact remains that the pleasure you get from driving is measured largely by the dependability of your tires.

When you have your car equipped with tires that are built to withstand the very road conditions with which we are confronted in this country—you have a feeling of satisfaction that the best car in the world cannot give.

Look about and you and you will see that the tires that stand the gaff in the country are
