# DUNSMUIR AND KLAMATH WILL FIGHT IT OUT

## Crucial Game to be Played by Local Nine Next Sunday Away From Home

"There is many a slip 'twixt the cup and the lip".

But it will be with the firm determination to avoid any slip that the Klamath Falls Pelicans will journey south next Sunday to play the fast Dunsmuir nine at Dunsmuir, in the last regular game of the season.

Weed and Klamath are now tied for first place in the Klamath-Siskiyou league. Each team has one more game to play. Weed plays Mt. Shasta, and Klamath takes on Dunsmuir.

If both teams win, a post season game will be played between the two leaders to settle the question of the championship.

If both teams lose, the post season game will still be played because they will still be firmly planted in first place.

But if one team wins while the other loses, the championship will be settled.

### Bigger Hazard

Klamath has a bigger hazard to hurdle than Weed. Dunsmuir is in second place by virtue of a win over McCloud last Sunday 8 to 3. The northern California nine is also known to be anxious to keep the league pennant in California and it is admitted by local officials of the baseball team to be within the range or possibility that Weed may loan several players to Dunsmuir to aid in scuttling the Pelican chances for the pennant.

Weed, on the other hand, takes on the cellar team of the league, Mt. Shasta, and is practically assured of a victory.

### In Fine Fettle

Pepped up over their sensational ten inning victory over Weed last Sunday the Klamath Pelicans are in fine fettle for the game next Sunday. They realize that it will not be a walk-over and are determined that the advantage gained by their victory last Sunday is not nullified by a defeat at the hands of Dunsmuir.

Just who will occupy the pitcher's box has not been decided. Street's stellar work against Weed may win him another opportunity again Dunsmuir. On the other hand, the Pelicans have an ace in the hole in the person of "Sunny" Mohler, experienced southpaw, who has led the local nine to many victories.

Nothing has aroused the sporting public during the past few years more than the wonderful showing of the Klamath Falls baseball nine in its first year in the Klamath-Siskiyou league. A new team in a town that has not been represented by a baseball team for years, the local nine has scored win after win until it is now tied for the leadership of the league.

## WOMAN'S LODGE CHOOSES NAME OF TULE CAMP

"Tule Lake Camp", was the name chosen last night by the Royal Neighbors, of Merrill, when the camp was organized with Mary Jane Gray, district deputy from Portland, in charge of installation. The lodge members planning to hold their first meeting on September 8, at the Odd Fellows hall at Merrill. Officers were elected for the ensuing term and the members are making plans for a number of social activities during the fall and winter months. Twenty-four members were initiated into the order.

Among the officers elected were: Ethel Blake, Oracle; Lillian Graybael, Past Oracle; Grace Walker, Vice Oracle; Lillian Knot, Recorder; Mary Graybael, Receiver; Adella Griffith, Chancellor; Esther Cox, Marshal; Phoebe Anderson, assistant Marshal; Zena Barks, Inner Sentinel; Pauline Serny, Outer Sentinel; Helen Bromi, Musician; Dr. John Cleveland, Physician; Vealith Stiles, Ethel Knot, and Vivian Sternes, Managers.

At the Modern Woodmen of America hall in Klamath Falls Mrs. Gray will install a Juvenile camp this afternoon, with a class of twenty-three members.

### At the PINE TREE

The prettiest style show ever staged in Klamath Falls was presented last evening in connection with the picture "The Dressmaker from Paris." The latest styles were modeled in a beautiful and graceful manner and the continued applause showed the appreciation of the audience. The Golden Rule, Hector's, the Northern Fur Shop, Gertrude's and Glover's Jewelry Store collaborated in the show, which was a real success in every way.

Matching one's own personal charms against those of fourteen of the most beautiful girls obtainable from all parts of the world is a test for any screen actress.

Leatrice Joy has come through this ordeal with flying colors in "The Dressmaker from Paris," which shows at the Pine Tree tonight. For the roles of manikins in this production, Paramount assembled fourteen beautiful girls from all parts of the globe.

There are Latin beauties, Oriental beauties, Norse beauties, Gallic and Gaelic beauties, the most perfect faces and figures obtainable. In addition to the "fortunate fourteen" is Mildred Harris, recognized as one of the screen's most attractive women.

Leatrice Joy, herself a "perfect 36" with jet black hair, ivory skin and flashing black eyes, is seen throughout the production with the fourteen gorgeous manikins, each of them adorned with magnificent and exclusive creations.

Every gown was designed by a style creator, who was brought from Paris expressly for this production, directed by Paul Bern.

### At The LIBERTY

The new Shirley Mason film, "The Star Dust Trail," which shows tonight at the Liberty theatre, is an old theme in a new and very interesting setting. It shows a young woman whose success in her career soon makes her financial condition far superior to that of her husband. The usual complications arise and are settled in the same old way.

The originality comes in the fact that the wife is a musical comedy star, and the husband an actor too. This makes it possible to show, in the film, many fascinating glimpses of the "back-stage" life of the theatre. There is one scene which portrays a rehearsal which is unusually realistic.

### LATE TOURISTS TODAY

Afternoon tourists who registered at the chamber of commerce included W. E. White, Riverside; V. E. Mitchell, Los Angeles; Richard Barclay, Marysville; A. J. Jack, Stockton; W. F. Wright, Palo Alto; Claude Simmon, Reno; C. C. Turney, Sacramento; Thos. R. Worth, Sebastopol; J. B. Boyd, Chico; A. W. Howard, Bieber; W. P. Breuer, Chico; J. H. Fairbaum, Perkins, California.

Hans Nylander, prominent rancher of Pine Grove, is about the city today on business matters.

### HENLEY

The carpenters and painters are through remodeling and repairing the Henley school buildings and the new janitor is busy adding the finishing touches. School will open Monday, September 7.

and as the students arrive they will find some new teachers on the job. Mrs. Peden will be in charge of the intermediate grades. Miss Waage will have some of the upper grade work and English in the high school. Mr. Holken will be the new high school instructor who will be

in charge of school athletics. All the new teachers are well experienced in their work and come very highly recommended. Miss Johnson and Mr. Schultz will hold the same positions they held last year. See Pirates of Penzance.

## "Every day in every way"

"Yes, sir, this old Ford actually seems to be getting better every day. Since I drained the crankcase and filled up with the new Zerolene 'F' for Fords, she starts quicker, has more power, and seems to go a little farther on a gallon of gasoline."

Zerolene "F" for Fords gets to all the parts where oil is needed, especially the wrist-pin bearings and the upper half of the cylinder walls, which are frequently "oil-starved" when an unsuitable lubricant is used.

Zerolene "F" for Fords is made by the Standard Oil Company's patented vacuum process. It deposits a minimum of carbon.

Yet Zerolene "F" for Fords costs not more, but less than most of the special Ford oils on the market.

A Ford is an A-1 transportation investment. Protect your investment by proper lubrication.
