McKenzie Pass Will Be Kept Clear of Snow

BEND, Ore., Sept. 21.—Prospects loomed this week-end that the Eugene-Bend stage line will be operated continuously all winter long.

Plans are being made to keep McKenzie Pass open during the snow season, according to owners and operators of the line.

M. A. Reed and M. C. Hickman, owners, plan to confer with representatives of the bureau of public roads at Portland, asking permission to operate a power snow packer to be driven ahead of the stages.

They will go on to Ranier National Park to inspect the snow packer and equipment used in the park last year to keep roads open.

French Commission Studies Proposals

ABOARD S. S. PARIS, Sept. 21. (AP)—Finance Minister Caillaux and his colleagues of the French mission to the United States today completed the text of the proposals which they will lay before the American debt funding commission.

Since the voyage from Havre began, the delegates have been devoting some hours daily to consultations upon what should be paid to the Americans and the form in which it should be put.

OLYMPIA, Wash., — E. D. Bowen, 68, who is touring the country on a bicycle, reached here recently from his home in Galesburg, Ill., having covered 7,000 miles in 102 days he was on the road. He characterized the tour as a "pleasure jaunt" and declared that because he traveled on a bicycle he was able to "see all the sights."

Olympia is the 25th capital Bowen has visited, and he plans to see every one in the union, before returning home.

Twenty five years ago Bowen made a similar trip abroad, visiting nine European countries.

Schoolma'am a Hit on Screen

Two months ago Thelma Todd of Lowell, Mass., thought her life's work would be teaching school. But screen experts thought she had an unusual type of beauty and talent and now she is one of the most promising novelties of the Paramount school for movie actors.

GRAND LODGE OF ODD FELLOWS IN ANNUAL SESSION

PORTLAND, Ore., Sept. 21. (AP)—The sovereign grand lodge convention of the Independent Order of Oddfellows, which will be in session here until Friday, opened with a public welcome and reception meeting at the Municipal auditorium. Following the grand lodge session this morning the delegates will be taken on a trip over the Columbia river highway this afternoon.

Portland is gaily decorated with colors emblematic of the order, and some of the main streets are arched with festoons of evergreens. Uniformed teams and bands are here from all parts of the United States and many from Canada.

Recital to be Held Next Friday Evening

A recital of more than usual interest will be held at the Presbyterian church at 8 o'clock next Friday evening when Miss Dorothy Elliott of this city and Nathan Stewart, baritone, of Seattle, will give a group of vocal selections. Miss Elliott has been with the Ellington White circuit throughout the summer in a leading musical comedy role. Mr. Stewart is one of the best known baritones of Seattle.

FAVOR WALKER IN SHADE BOUT

NEW YORK, Sept. 21.—(AP)—Mickey Walker of Elizabeth, N. J., will step into the ring at the Yankee stadium tonight at 10 o'clock to defend his world's welter weight title against Dave Shade of San Francisco.

Shade, after side stepping his relentless challenger since he lifted the crown from Jack Britton at Madison Square Garden in 1922.

Walker is a 7 to 5 favorite to win the 15 round bout. Both boxers are expected to weigh in under the limit of 147 pounds. Shade is taller than the champion by two and one half inches and has a longer reach by about four inches which may count heavily in a close fight.

Exclusive of the knockout he registered over Jimmy Slattery of Buffalo, Shade shows only four knockouts in approximately sixty struggles.

On the other hand, Walker has scored twenty knockouts in about the same number of contests.

There is little love between the principals, a situation aggravated by the long delay in making the match. For a time the champion was under suspension in this state for neglecting to answer the challenge.

If the weather is unfavorable the fight will be postponed until Friday.

Shade has a crouch, involving weaving and ducking, that puzzled Slattery. Walker is regarded as a faster boxer and a heavier hitter than his challenger.

Before Walker won the title he met Shade twice in no - decision bouts in New Jersey. One went to the limit of twelve rounds and in the other Walker won in seven rounds, when Shade broke his right thumb.

ROME NEWSPAPER SUPPRESSED FOR PUBLISHING ERRONEOUS ITEM

ROME—(AP)—Reformers who urge that newspapers be forbidden to print gruesome details of crime or sensational news, tending to influence legal investigations or trials, won a signal victory recently when the Prefect of Rome exercised the powers vested in him under the Fascist Press Law to suppress an important newspaper which asserted erroneously that the perpetrator of a sensational crime had been identified.

An edition of the Tribuna, one of Rome's leading evening newspapers, was seized and the next day the Prefect announced the suppression had been caused by the paper's publication of a statement that a criminal who had brutally killed a little girl had been found. This, the Prefect explained, was untrue and its widespread publication, he asserted, tended to frustrate the ends of justice.
