

# PITTSBURGH IS ALMOST CERTAIN TO WIN PENNANT

### Pirates must Win Only 3 More Games to Win Senior League Rag

NEW YORK, Sept. 22 (AP)—Pittsburgh's pennant march in the national league race continues unimpeded. Bolstered by seven victories, the Pirates need to win but three more of their remaining nine games to nail the flag to their mast. Washington needs five of its scheduled 12 games to triumph in the American league.

The Corsairs pounded out a 9 to 7 victory over the Phillies yesterday. Hazen Cuyler, Pittsburgh outfielder, hit safely in his first two times at bat, running his string of straight hits to 10. This is believed to equal the national league record by Ed Konetchy of Brooklyn in 1919. Tris Speaker of the Indians holds the major league record, however, with safe hits in eleven consecutive times at bat in 1920.

The Robbings have been losing as consistently as the Pirates have been winning. Brooklyn dropped its eight straight to the Cubs 3 to 2.

which places the Robbings in practically out of reach in the first division this season. Bob McGraw, pitcher purchased from Minneapolis for \$25,000 has joined Robbings' club.

Five pitchers failed to stay the Braves and the Reds lost 7 to 5. Walker of Cincinnati hit a homer with one on base in the first inning. Rain washed away the Giants-Cards game in St. Louis.

The Athletics turned out a 10 to 7 victory in their last meeting with the Bengals this year. The Mack men have won 14 of 22 games with the Tigers in their series.

Washington and the other American league clubs were not scheduled. Miller Huggins, manager of the Yankees, favor the world champions to beat the Pirates in the world series. He believes the Senators' pitching staff and veteran players give them the edge.

Victory for Pittsburgh is predicted by John A. Heydler, national league president. Pittsburgh will put into the series probably the best team ever entered by the league, he said at Louisville.

### Mickey Walker Defeats Shade

NEW YORK, Sept. 22 (AP)—Mickey Walker, of Elizabeth, N. J., and his two battling fists, still rule the welterweight division of the pugilistic world.

By a furious rally in the final round of a grueling 15 round struggle with his leading challenger, Dave Shade of San Francisco, the champion demonstrated to the satisfaction of two out of three officials last night that he is still entitled to wield the zipper in the 147 pound class.

George T. Kelly of Yonkers New York, one of the judges thought Shade won. Richard Nezer of Buffalo, the other judge voted for Walker. Then Referee Halsey, decided the issue by returning a verdict for the champion.

With but a few exceptions most of the newspaper critics conceded Walker a clean cut victory; he finished the stronger after having forced the fighting over almost the entire route and in dealing out the heavier blows.

Shade, one of the most elusive marks in the ring, for the most part cast aside the dodging, weaving defense from which he had often baffled opponents in other fights. He traded punches, toe to toe with the champion. It was a game at which Walker was highly proficient and the change in tactics spelled defeat for the crafty Californian.

### Grants Pass Will Play Local Squad Here on Saturday

Klamath high school will play Grants Pass high school the first interscholastic football game of the season at the local fair grounds gridiron next Saturday afternoon, according to announcement by high school officials today.

The local team was scheduled to journey to Grants Pass next Saturday but the playing field there will not be in condition, so the schedule was switched to permit the Josephine boys to come here.

There is keen interest in the work of the high school athletes this year and keen disappointment was expressed last week because all the Alturas players failed to arrive for the scheduled game, and thus give local fans a good line on the high school squad.

However, the week of extra practice will permit Coach French to put the finishing pre-season touches to the local team, and the Klamath boys will be ready for the Grants Pass game next Saturday.
