

Wednesday and Thursday, Oct. 14th and 15th will be the third of a series of **Klamath Falls Bargain Days**

Strong Characters Required as well as Strong Materials

We, whose homes and whose business and social interests are here in Klamath Falls have chosen this community because we prefer it in most cases to the larger city.

We have no desire to make this another New York or Chicago—but we are united in our ambition to build here a community of character.

The achievement of this worthy ambition depends upon our specifications and materials. FRIENDSHIP for our neighbors and fellow-citizens. Not just a smile and "How d'ye do" but the spirit that helps us to do the other fellow a good turn whenever possible.

HONOR in dealing with our fellow men — prompting us to hand out the square deal instead of the double cross, and to keep our credit good by making our word as good as our bond.

EDUCATION for our children through good schools and churches. A wholesome home life, teaching us all a better appreciation of the finer things in life.

AMBITION, not alone for wealth and financial independence, but to keep our hearts free from any taint of envy, selfishness or ill will. This is a safe guarantee for a fine community.

GOOD HEALTH is encouraged by observing sanitation, sobriety and "safety first." Our good doctors are well qualified to protect the health of our families and should be consulted freely.

INDUSTRY is the back-bone of community progress. Let's pull together in all things good, remembering that one prospers as those about prosper.
