

Women Don't Want to Serve in Case Against Convicts

SALEM, Ore., Oct. 17.—The large percentage of women who were exercising their rights in exemption for jury duty is causing much difficulty in the selection of a jury to try James Willos and Ellsworth Kel-

ley, who with Tom Murray, shot their way out of the Oregon penitentiary. Both are accused of murder in the first degree. Yesterday a special venire of 20 was ordered, but the dozen women on the list all claimed exemption. Belgium has established an aeronautical laboratory to enable its airplane constructors to keep abreast of those of other lands.

Your Teeth Need The Same Expert Attention

Self-Reliance Depends Upon the Confidence

that is instilled in the mind by the knowledge that one's appearance is acceptable to others, but the delightful buoyancy of being justly proud with the confidence you are distinctively groomed is the happy reality awarded but few men. Nature ascribes to all that freedom of mental restraint but most people deny their heritage with the constant realization that their apparel could be better.

Corn Huskers Lead Huskies In 3d Period

Nebraska Shoves Over Touchdown; Game Hard Fought

3rd Period
Nebr. 6 Wash. 0

LINCOLN, Nebr., Oct. 17.—(AP)—The University of Washington's "Purple Tornado" met the University of Nebraska in their first inter-sectional football game of history on the Nebraska memorial field here this afternoon. Crisp October weather, with a clear sky overhead and a fast field under foot greeted the teams.

Nebraska kicked off to the Huskies and Patton returned the ball 23 yards to his own 38 yard line. After failure to gain, Cuttermen punted sixty two yards. Nebraska failed to gain and after three useless attempts to gain Tesreau of Washington attempted to drop kick which was wide. A kicking duel was in progress with both lines holding the plowing backs.

Skirting the ends, Dalley was proving a consistent ground gainer for Nebraska, making one first down and carrying the ball to the middle of the field, offsetting Guttermen's long punts. The play, however, was almost wholly in Nebraska territory.

Nebraska punted 48 yards to Guttermen who returned the ball to Washington 32 yard line. Washington punted, but Hutchinson blocked the ball and recovered in Washington 19 yard line. A forward pass brought the ball to Washington 18 yard line. Plunges carried the oval to Washington six yard line, but the Huskies held and an attempt to pass on the fourth down by Nebraska was grounded.

Washington took the ball on its 20 yard line and Guttermen punted to Nebraska 43 yard line. A series of punts found the ball in Washington hands on its 47 yard line. A pass netted 17 yards. The Wilson smashed through for 16 yards more. The Huskies, with the aid of Wilson and Tesreau battered the Nebraska line and carried the ball to Nebraska four yard line. Wilson, after failing to gain, plunged through for two yards and was ready for another smash, when the whistle blew and the half was over.

End of first half, Washington 0, Nebraska 0.

Herman's Manager Wants His Wages

PORTLAND, Ore., Oct. 17.—Oscar Koch, better known as Tiny Herman, heavyweight boxer, is defendant in a suit filed here by Jack Lewis, manager of boxers, who demands \$2245 alleged due him because of bouts engaged in by Herman during a year in which they had agreed to team together. Lewis also claims \$144 for loans and equipment furnished Herman.

Flags at Half Mast Next Wednesday

SALEM, Ore., Oct. 17.—As a mark of respect to the memory of Lieutenant Colonel John F. Williams, Oregon National guard, retired, whose death occurred at Eugene last night, Brigadier General Geo. A. White, commander of the Oregon National Guard today issued orders requiring that flags on all state armories be displayed at half mast next Wednesday which is the day set for the funeral.

The military record of Colonel Williams dates back to 1889 at which time he entered the service as a private. He advanced steadily through the various non-commissioned and commissioned grades until he reached the grade of Lieutenant Colonel, for a bureau during the week Colonel Williams served as the acting adjutant general.

RENO — After walking four miles with his left arm severed at the shoulder, Merrill Graham of Murray, Utah, died at an Elko hospital, from loss of blood. Graham fell from a train.

OAKLAND — One fireman was killed and five injured in a collision between a fire engine and a crowded commuters' local Southern Pacific electric train. Only one man on the fire truck escaped injury.

Never give a man a hat for a wedding present. A week or so later it will be entirely too large.

Kentucky Hit By Hard Wind

Roofs Are Lifted From Homes in Small Towns

LOUISVILLE, Ky., Oct. 17. (AP)—Traveling at eighty miles an hour, a terrific windstorm swept over four counties in the south central part of Kentucky late yesterday severely injuring 12 persons, one perhaps fatally, uprooting trees, demolishing houses and farm buildings and completely destroying telephone communications.

Early today communication with the stricken area has not been restored, so no definite estimate of the extent of the casualties or the amount of the property damage could be made. Estimates early today however, placed the toll of injured at more than 25 and the property damage at tens of thousands of dollars.

Of more than 12 towns visited by the tornado, the territory about Bowling Green was perhaps the hardest hit, the tornado leaving a toll of 10 injured, many uprooted houses, demolished buildings, uprooted trees and devastated telephone lines in its wake.

While Camer, a town of about 300 population, was reported completely wiped out, these reports could not be confirmed early today. At Woodsonville, two persons, a woman and a boy, were injured.

The woman was bruised and lacerated after being hurled from a buggy in which she was riding.

Three houses and one barn on a farm near Thomas Landing were blown into the Barren river. Mr. and Mrs. Lacey Smith and their four days old baby who lived in one of the houses, were blown from it. The baby was carried into an adjoining field, a distance of one hundred yards. All escaped uninjured.

PINE RIDGE

Mr. and Mrs. Y. E. Mansfield, Mrs. Robert Brophy, Mrs. W. A. Benson and Miss Margaret Benson visited friends at Shaw-Bertram camp Sunday afternoon.

Mrs. D. Anderson is spending this week with her daughter, Mrs. Carl Williams, who resides near Fort Klamath.

Mrs. C. A. Flury and Mrs. Robert Hall of Chiloquin were in camp Monday.

Chas. Savits of Calamus camp spent Sunday here with his family.

Chas. Brophy of Calamus lookout station was a recent visitor here while on his way to Medford.

Jud Low of Klamath Falls was here Thursday in the interest of the California Oregon Power Co.

Mrs. Veloy Pearson and small daughter are expected home in a few days from Riverside, California, where they have been visiting for some time.

Robert Brophy and Ernest Kramer returned Thursday from Woodruff Meadows, each bringing home a fine deer.

Bad news from Russia. Things are awful over there, but could be worse. Suppose boll weevils got in their whiskers?

LANE FINDS DOG

Prominent Rancher of Midland Finds Dog Awaiting Him

F. E. Lane, prominent rancher of the Midland county, is today all smiles, all because his valuable collie "Pal" was awaiting him upon his return home yesterday. When Mr. Lane visits the city he never fails to bring his dog along and during his stay here the dog has comfortable quarters in the basement of the Hotel Arcade. Yesterday when ready to return to his farm at Midland he went to the basement and "Pal" was gone. Discouraged and with no thought of ever seeing him again, he left for his ranch home.

Are the grades on the child's report card satisfactory?

If Not—Why Not?

Defective vision is the cause of over 50% of the failures in school.

Don't scold the child—but DO find the cause and remedy it if possible.

A thorough examination of the eyes may locate the cause and correctly fitted glasses may be the remedy.

RACINE MULTI-MILE TIRES

Unprejudiced Advice

Perhaps you have not yet settled the balloon tire question to your satisfaction.

We are in a particularly good position to advise you without prejudice, and for this reason:

We sell both the standard size RACINE Multi-Mile Cord and the RACINE Balloon.

Both are low-pressure tires and both are of the finest RACINE quality.

Our advice will depend absolutely upon your particular need—and on that alone.
