"Western Auto" has Not Yet advanced Tire Prices

Leading tire manufacturers have recently announced further advances in tire and tube prices.

"Western Auto," because of advantageous contracts placed with tire manufacturers, are able to maintain for a limited period their present low prices.

The cost of rubber is still advancing—we must increase our tire and tube prices soon.

Car owners who wish to take advantage of the substantial saving made possible by our low prices are advised to anticipate their near future requirements and buy now.

You can still buy "Western Auto" Tires at these low prices!
