

Motor Car Concern Sues B. O. Farrell

To install a motor for B. O. Farrell entailed an expense of \$237.50, and it is just that amount that Mr. Farrell owes them, according to a complaint by the Twin City Motor Car company, filed this morning in circuit court. The work was done last June, the complaint states and the plaintiffs ask for six per cent interest on the total bill from that date.

State Soon to Send Market Road Money

Enough money to carry the Klamath 1925 market road program over the top and perhaps enough to even guarantee a small balance, will be received within the next few days by the county treasurer's office from the state treasurer. County Road Engineer Frank Z. Howard has received word that Klamath county has the sum of \$14,568.07 coming to it soon. This

sum is the balance of the state's market road appropriation of \$20,152.36 which was allotted to Klamath at the last legislature.

At The LIBERTY

The thrill of daredevil horsemanship—the zest of virile drama in the open spaces—the warmth of young romance all woven into a story of compelling interest and stirring the world's greatest rider and bull-dogger Yakima Canutt are the attractive elements of "The Ridin' Comet," coming to the Liberty Theatre tonight. Canutt, star of dozens of rodeos at Pendleton, Ore., Cheyenne, Wyo., and elsewhere, performs some of his most amazing feats of horsemanship in this production, in addition to which there are a number of thrilling scenic features and a corking love story.

At the PINE TREE

A large and enthusiastic audience expressed their approval of the vaudeville bill at the Pine Tree last night in no uncertain manner. The entire bill is very good and two numbers especially are out of the ordinary. Babe Dupre and Company with their musical act is a show within itself. If you have tired of the stereotyped "blue" singing, you will get a new angle from this act, as well as other clever numbers. The bill will be repeated tonight.

"The Charmer," starring Pola Negri in the title role, comes to the Pine Tree theatre tonight. Based on the highly successful English novel, "Mariposa," by Henry Baerlein, "The Charmer" tells the story of a beautiful Spanish girl, dancer in her parents' cafe in Seville, who is brought to America by a kindly theatrical agent. Her success, both professionally and personally, is instantaneous. Many great situations both comic and dramatic are developed during the course of the production.
