

# ARMISTICE DAY

**W**ITH THE CRACK OF THE LAST SHELL on that memorable November eleventh there ended the most terrible struggle ever waged between Nations.

The huge toll taken in lives of men, and suffering cannot be measured by any earthly standards, and it is indeed appropriate that Armistice Day has been set aside each year at least, to remind us of this tremendous sacrifice.

To those who have paid in full . . . to those who have bled . . . to those who have suffered in body and in heart, we bow our heads in reverent devotion, and may the future show by our lives as individuals and in our National intercourse, that this colossal sacrifice has not been in vain . . . and pray that it can never happen again.
