RADIO CARNIVAL SATURDAY People Showing Keen Interest in Event of End of Week

The radio carnival, being sponsored by the business and professional women of the city, which is to be an event of Saturday at the chamber of commerce, is expected to go over with a bang, according to reports which are current about the

city. Final plans have been made by the club members, who have been busily engaged for the past month getting novelties ready for the various booths. Each booth will represent a radio station. A silver tea being sponsored by a number of the social matrons is to be one of the features of the afternoon. All money realized from the carnival will be used by the club in purchasing fur-

nishings for the rest room of the new city library. Much credit should be given the club members for their work, which they have put forth in making the event one of the most successful ever held in the city. Don't forget the place, the chamber of commerce, and Saturday, November 14, is the date.
