### At The LIBERTY

"Gun-Shy" Franklyn Farquhar's latest western comedy-drama, possesses all the requisites of a good clean photoplay. Full of action from start to finish, comedy situations galore, an interesting story carried by a well balanced cast and the most picturesque and ideal scenes obtainable.

The cast for "Gun-Shy" are all particularly adapted to the parts they portray. Over two hundred cowboys were used in the picture, all true sons of the west, the rapidly disappearing, picturesque cowpuncher.

"Gun-Shy" is a breezy action story of the great outdoors, brimful of suspense, romance and comedy—and plays at the Liberty tonight only.

A throbbing and tense dramatic story is involved in a way that is bounded by realism and color in the big production, "Black Lightning," which comes to the Liberty theater on Sunday and Monday.

The film is away from the stereotype features both in its height of romantic construction and cast which is headed by "Thunder," the Marvel Doo, and includes such players as Clara Bow, Harold Austin, Eddie Phillips, James Mason, Joe Butcher, Mark Fenton and John Prince.

Many thrilling scenes and big climaxes are staged in "Black Lightning" with all of the action taking place in the hills of the Kentucky mountains, centering around a bloody feud which has been raging for years. It is a picture that has a modern love story and will appeal to all lovers of good films.

LONDON — The House of Lords has become red. The benches have been upholstered in that color.

### At the PINE TREE

This picture, "A Son of His Father" at the Pine Tree Sunday, produced from Harold Bell Wright's latest best seller, is claimed to be the finest "western" that has ever reached the screen. To back up this big claim, Paramount mentions—

First—the author, Harold Bell Wright, Wright's tales of the west have gone into more homes than those of any other writer. During the last eight years his books have been read by more than 56,000,000 people in the United States alone.

Second—the director, Victor Fleming, who made "Adventure" and "The Devil's Cargo." He also made "The Last Man" the first Zane Grey - Paramount production. "The Call of the Canyon," another Zane Grey special, and "Empty Hands" are also on his long list of successes.
