Flapjack

flavor

Flapjack and flavor! No other pancake flour can hope to give you Flapjack's flavor because no other flour is blended the Flapjack way. To begin with, we use no cornmeal or other heavy ingredient. The leavening is top quality. Even the salt used is as fine-textured as the flour itself.

That's why Flapjacks, properly made, are always light and tender, never soggy or hard-to-digest. Flapjack heads straight for your hot cake appetite in a big-flavor way!
