

Dr. Massey Chosen Kiwanis President

Dr. George A. Massey was selected president of the Kiwanis club for 1926 at the annual banquet and duck feed of the organization, which was held at the White Pelican hotel last night.

The banquet, in every detail, was declared a success. Every member of the club consumed one complete duck, with all the necessary trimmings that make a duck feed a success.

Visiting Hunter Will Fight Case

That he did not violate the game laws and that the report he had pleaded guilty and paid a fine of \$50 is false, is the statement yesterday of F. M. Beebe of Ashland.

Beebe claimed that the arresting officer, Chief Deputy State Game Warden F. M. Brown, was wrong in making the statement that he had pleaded guilty. Beebe declared he would fight the case to the limit.

BANQUET GIVEN KLAMATH HIGH'S FOOTBALL TEAM

Mothers are Hostesses at Crowning Event of the 1925 Athletic Season

Some twenty high school boys—members of the Klamath high football team—broke bread last night with their mothers and their dads, sat, a bit red-faced, perhaps, when Dwight A. French, football mentor, and Paul T. Jackson, high school principal, extolled their manliness, their spirit of fair play and their prowess upon the football field.

It was the crowning event to signalize the rejuvenation of Klamath in the high school football world. It was a football banquet—a turkey dinner, if you please—which thoughtful mothers gave in honor of their sons, and which fathers, though not so emotional, perhaps, were glad to attend.

As is always the way with buoyant youth, members of the football team declined to take credit unto themselves for the football victories they had wrested for their school this fall.

"Our coach, 'Dutch' French, and Mr. Jackson deserve most of the credit," declared young Carl Yancey, captain of this year's team.

"It was the fighting, clean-play spirit which Mr. French drilled into us," vouchsafed "Aazy" Connell, heralded by Principal Jackson as the orator of the team.

And these sentiments were echoed by Roland Cofer, who paid a tribute to the mothers for the thoughtfulness which prompted the banquet. Coach French gave the mothers and dads a brief history of the football ability of each of his boys as the bashful players rose to their feet as their names were called.

"When I came to Klamath Falls, I was a bit skeptical because of the reports which had preceded me," explained the coach. "I was told the boys were hard to manage; that they would be a troublesome lot. But I want to say, and say it in all sincerity, that I never saw and worked with a finer bunch of boys in my life. They are good, clean boys. They are eager and quick to learn, and are a credit to their parents and their school."

Don Fisher, high school instructor, complimented the boys for their clean sportsmanship, and declared it had been a pleasure to aid in any way possible the work of Coach French and members of the team. Principal Jackson presided as toastmaster.

Members of the football team present were:

Coach Dwight French, William Bessler, Frank Hall, "Aazy" Carroll, Carl Yancey, Harold Johnson, "Fat" Loomis, Zed Barnes, "Budge" McGuire, Leslie Elmore, G. Connors, Don Soule, Joe Bliss, Waldeen Upp, "Whit" Whitney, Roland Cofer, William Smith, "Fat" Walsh, Yell King Nahum McMullen and Mrs. Paul Jackson, Mrs. Nora French and Mr. and Mrs. Don Fisher were honor guests.

Parents included Mr. and Mrs. H. G. Whitney, Mrs. Frank Yancey, Mrs. Charles Loomis, Mr. and Mrs. T. N. Sherman, Mr. Hall, Mr. and Mrs. W. B. Barnes, Mrs. William Bessler, Mrs. Charles P. McGuire, Mr. and Mrs. Fred E. Floet, Mrs. Rose Otey Soule, Mr. and Mrs. R. T. McMullen, Mrs. R. W. Smith, Mr. and Mrs. Bliss, Mr. Walsh and W. D. Cofer.

New Safety Zone Will Be Created

Ten feet of street in front of the Western Union office will be declared a safety zone and automobiles will not be allowed to park there hereafter.

This was the assurance received from the city council last night by a delegation of Western Union messenger boys last night. The boys complained that despite the fact that part of the street in front of the telegraph office was marked "no parking," that automobiles continued to park in the forbidden ground. They asked for a specific safety zone stipulation in the parking ordinance so that drivers of automobiles could be arrested.
