# Klamath Falls Bargain Days

## The Element of Service

with the Business Man, the Professional Man and the buying Public — is a predominating factor today.

To fully appreciate the many improvements and refinements in service, just compare business methods today with those of a few short years ago.

With the practical use to-day of such things as Electric Lights, Telephones, Cash Registers, Improved Accounting Systems, Better Scales, Auto Delivery, Filling Stations, Better Streets and Sidewalks, Typewriters and innumerable laborsaving devices, improved methods for keeping in Good Health, well ventilated theaters, better lighted and more systematically conducted stores, sales people trained to observe and to please in every way—the modern idea of SERVICE FIRST has totally displaced the old-fashioned methods of trading and bargaining.

Those days of "LET THE BUYER BEWARE" are gone forever in Klamath Falls. We citizens of Klamath Falls, whose duty it is to serve the many diversified needs of our community do hereby make it known that we accept this obligation with a keen sense of our responsibility. It is our earnest aim to work toward the utmost in comfort, convenience and economy for Klamath Falls people.
