Jupiter Pluvius Beat our Time

The weather has been against us. We're going to reduce our stock. The biggest reductions in Klamath this year to date. We want the privilege of showing you—buy or not. Be yourself, look the part of it, dress well at little cost.

"That Gift"

Most men will say,
"I'll be satisfied if
it comes from Su-
garman's"—there's
a reason.

Nearly 20 Yrs of Service

Exclusive men's wear
from the start. Grow-
ing bigger every day,
the reason must be,
"We've got the stuff
men want." Another
thing every customer
gets a square deal.
New people are es-
pecially invited to
come and get ac-
quainted. To the lab-
oring man this store
has been known as
the store for the
workingman from it's
inception. We not
only say so but have
repeatedly proven it.
