SCHOOL WILL OPEN DEC. 28

(Continued From Page One)

ty high school board met and also decided to dismiss school until December 28. The closure merely sets ahead by one week the regular vacation time of the school, which would have started next Friday and lasted two weeks.

Because it is believed that all gatherings except those absolutely necessary should be discontinued during the present epidemic, the board of directors of the chamber of commerce this noon decided to discontinue the regular Wednesday noon forum luncheon until such time as health authorities deem the menace of meningitis a thing of the past.

At the meeting of the board, Dr. Masey and Ralph Crego, officials of the Kiwanis club, stated that the weekly meeting of the Kiwanis club had been discontinued until the epidemic abates.

The sentiment at the board luncheon was that all civic clubs would do well to discontinue their noon luncheons.

"It should be made clear," Secretary Lynn Sabin said this noon, "that only forum luncheons of the chamber will be stopped. Other meetings, such as committee meetings, directors meetings and general activities of the chamber will be continued."
