### A BANK OF CHARACTER

In a bank, as in a man, strong character asserts itself in steady growth with no loss of identity. If banking identity is lost, the strength of character is impaired. The identity of the Hibernia Bank of San Francisco has been maintained during all the sixty six years of its life. It was the Hibernia in 1859; it is the Hibernia today. In the years since '59 other banks have come and gone, have been merged and absorbed; identity has been lost, character has changed. The Hibernia retains its original name, preserves its identity, and grows steadily in strength of character.
