NEW YORK—Robbers better be
careful if they plan to hold up a
municipal messenger carrying cash
to a bank. The seizure of his money
bag will release gas. The city tax
collecting offices can be flooded with
gas in an instant in the event of a
holdup.

Ford Sales Make Big Upward Jump

All records for early winter Ford
sales were broken during November
when 146,788 passenger cars and
trucks were delivered to retail cus-
tomers in the United States. This is
an increase of approximately 25,000
over the November sales a year
ago.

Another evidence of the popular-
ity of the improved Ford passenger
cars is shown in the enrollments in
the Ford weekly purchase plan,
which have risen to unprecedented
numbers. During November a total
of 31,425 persons enrolled under the
plan and began paying on cars, more
than twice as many as enrolled dur-
ing the same month last year.
As the holidays approach deliveries
of cars to customers who have been
buying them under the weekly pur-
chase plan are increasing. Some be-
gan paying on their automobiles as
long as a year ago, others during the
early spring and summer months,
long before the improved Ford types
were introduced. All now benefit in
the convenience and comforts afford-
ed by the improved cars and their in-
creased value, without any additional
cost.

Lots of people who wish they
could leave this town ought to be
glad they are anywhere at all.

Willys-Overland Sets New Record

TOLEDO, O., Dec. 23. — With
1925 shipments up to December 9,
showing an increase of more than
50,000 cars over the period from
January 1 to December 9, of 1924,
Willys-Overland is enjoying its
greatest sales volume.

Coincident with the unusual ac-
tivity marking shipment records at
Willys-Overland is the fact that
twice during the fall months boat
shipments on the Great Lakes es-
tablished new shipment marks for
this type of freight, while several
trainloads to such points as Chicago,
Decatur and the two southern points
Miami and Memphis have further
contributed to Willys-Overland's un-
usual shipment records.

WASHINGTON — Uncle Sam is
firmly convinced that generosity to
his Indian wards does not require
him to pay \$150 for one brave to fly
200 miles from Kansas City to the
Osage reservation in Oklahoma and
\$114 for another to make the trip
by taxi, especially as the train fare
in the other direction to a hospital
was \$8.02 each. So the taxi and plane
bills have been disapproved.
