## MANY IRISH TO PLAY WITH CUBS

CHICAGO, Jan. 21.—(A)—The Chicago National league baseball club, the Cubs, have turned to the Irish to recover from their disastrous season of last year, and owner William Wrigley has thrown away the rubber-band on the bank roll.

Joe McCarthy, former manager of the Louisville American association team, will pilot the Cubs this year. McCarthy brought with him from the Louisville club, Maurice Shannon, shortstop, who will fill the gap left by the departure of "Rabbit" Maranville for Brooklyn.

Joe Kelly of Toronto, the home run king of the International league last year, was McCarthy's next purchase. He slammed the ball over the fence for thirty round trips last year.

Jimmy Cooney, an infielder, was obtained from St. Louis and Howard Fitzgerald, a Texas league outfield prospect, was recalled from Wichita Falls. As coach and assistant coach, McCarthy has obtained the services of Jimmy Burke, former manager of the Toledo club, and Mike Doolan, once famous as a shortstop for the Phillies.

These seven, McCarthy, Shannon, Kelly, Cooney, Fitzgerald, Burke and Doolan, are the majority of the new talent infused into the Chicago north side club this winter in the hope of lifting it out of the cellar.
