PILL-SLAVE FREED FROM CONSTIPATION

Kellogg's ALL-BRAN brought natural relief in a few weeks

A remarkable, convincing tribute is paid Kellogg's ALL-BRAN in this letter from Mr. F. C. Ammon, of Seattle:

"I suffered with chronic constipation for many years and was compelled to use pills every night, but since I got your Kellogg's ALL-BRAN it works fine. I would not be without it. I was so healthy and full of taking pills every night. Now it is so different. Kellogg's ALL-BRAN works so naturally and is pleasant to take."

F. C. AMMON, Seattle, Washington.

You can get permanent relief from constipation with Kellogg's ALL-BRAN if eaten regularly. Two tablespoons daily—or in chronic cases, with every meal. Doctors recommend it because it is ALL-BRAN. It does a job only ALL-BRAN can do. Part-bran products may not do any good at all.

Eat Kellogg's ALL-BRAN with milk or cream. Use it in cooking. Try the recipe given on the package. Kellogg's ALL-BRAN is made by Kellogg in Battle Creek, Michigan. Served by the leading hotels and restaurants. Sold by grocers.
