teams trying on every turn to play the game as it should be. The Merrill girls served a lunch for both teams at the school cafeteria after the games, that was greatly appreciated.

(AP)—"Red" Grange and George Wilson were prepared for a gridiron duel here this afternoon surrounded by stars in two teams, comprising the Chicago Bears and an aggregation of Northwest football experts. "GOLF WIDOW" HAS NEW NAME FOR PASTIME

Says It Is "Hoof and Mouth Game"; Hoof During Day, Mouth All Evening!

CHICAGO, Jan. 29. (AP)—A new nickname for golf was put forward today by a disgruntled "golf widow" who dubbed the pastime the "hoof and mouth game."

This woman, who had not taken to the links in self defense, as have so many women recently, said she had put up with the "hoofing" part of golf which had kept her husband away from home most of his spare hours, but had rebelled when she found that the "mouth" part of the game invaded her evenings. "He hoofed all day over the links," she said, "and then mouthed all night about the hoofing."

That thousands of wives of golfers have decided to break away from this condition without going to the courts is shown by the rapid increase in women golfers recently. In New York women have even organized a club for their exclusive use and reports at the annual meeting of the golf association show that every club has doubled its woman players in the last two years.

MEDFORD HIGH BEATS EUGENE

In the third quarter Medford opened a fast offensive and the quarter ended 14 to 5 in her favor.

Benny Dotson Has Win Over Nobe Cervantes; Jo Gorman Fast As Flash

Bobby Ross And Frankie Doyle to Vie With
Main Eventers For Honors; Jim O'Dowd
Vs. Logger Joe Arouses Much
Interest Among Fans

When Benny Dotson took the clever Nobe Cervantes into camp in a thrilling 10-round bout in Portland a year ago, he established himself as one of the leading featherweight contenders of the Pacific coast, and now that he is hooked up to meet the veteran Joe Gorman here next Tuesday night, he doesn't propose to drop a decision to the once pride of Portland.

Benny likes the Klamath altitude and has been here long enough to be classed as one of the old-timers, considering the rapid growth of this community, so he will be in the role of the home town boy fighting off the invader from the Rogue river.

Gorman Flashy
Gorman shows the same flash of speed that carried him to victory against the best featherweights of the west a few years ago, and under his present system of fighting but once in two or three months he will be in tip-top shape for his clash with Benny. These two featherweights will give local fans the fastest milling seen here in many months.

Frankie Doyle and Bobby Ross may steal the show from the main-eventers, or at least they are going to try and do it, considering the way they go through their stuff in daily workouts. Ross is a veteran of the ring and is anxious to establish himself again locally. Doyle has won victories over some of the best welterweights of the coast and will be out to continue his winning streak.

Special Good

A four round special between Jim O'Dowd and "Logger Joe," and a four round preliminary will complete the bill. Tickets are now on sale at the usual downtown cigar stores and are reported to be going at a good clip. Those who want to see the boys in action can catch their workouts daily at 2:30 and 6:30.

GREAT OFFENSE OF ASHLAND HI BEATS MERRILL

Well Trained Team From
Rogue Valley Steam Rollers Over Klamath 5

Displaying a brand of basketball seldom seen in Klamath county, the Ashland high school team swept over the hard fighting Merrill high team last night, winning 42 to 12. Ashland went into the lead at the start of the game, showing a well trained offensive on every play.

Merrill fought and played hard at every turn and at times actually held the larger and more experienced players to a standstill.

The outstanding player of the game was Captain Marske, the small, elusive forward of the invading team. Marske, with Charles Tilton, the large, rangy forward, made up the bulk of the points for the Ashland team and will give Klamath county high guards something to keep their eyes on, tonight.

Harold Graybael of the Merrill five led his team mates on the offensive on nearly every play and was easily the outstanding Merrill player.

Play Klamath High Tonight

Ashland plays Klamath high this evening and the local basketball fans will have an opportunity to see one of the fastest teams in the state in action on the Legion floor.

Last night's line-up:

Ashland	Merrill
Marske 18	F
Tilton 17	F
Moore 4	G
Gosnell 3	G
Abbott	G

The game was one of the cleanest ever played on the Merrill floor, both
