CARDINALS WILL PLAY NATIONAL GUARD TUESDAY

Fast Ashland team will meet Klamath Falls Quintet Tomorrow Night

Basketball fans of Klamath will be given the opportunity tomorrow night to see one of the outstanding basketball teams in Oregon in action, for at that time in the Legion gym, the Klamath Falls Cardinals will meet the Ashland National Guard, battery B quintet.

There's often a slip between cup and lip, but if dope is worth anything, it should be one of the interesting games of the season. In the first place, the Cardinals have proved their ability. They have crashed through to victory after victory in the southern division of the Independent league and are rounding in to one of the best teams in the county. Second, the Cardinals will be the under-dogs, and experience has shown that the under-dogs, if fighters, must always be reckoned with. Third, whatever the outcome, fans will have the chance to see a fast, well drilled team in action, a team that works with smoothness and confidence, with a formation for every offense, and with perfect union in defense, according to those who have seen it perform.

Camera Finds Woman Police Seek

While San Francisco police are hunting Mrs. Barbet Hammett, former owner of a smart shop, who is charged with passing a worthless check, she and her two children are hiding in a tent near the city. There a newspaper photographer found her, as the picture above shows, but he refused to reveal her hiding place. In place of fashionable gowns, Mrs. Hammett is now wearing overalls. She says she needs only \$1000 to solve her check difficulties, but police state the amount is nearer \$100,000.

Cardinals Win From Pelicans Saturday Eve

Accurate shooting by Dean Beckley and outstanding floor work by Carly Swanson, supported by general all round playing of three other men, was responsible for the decisive defeat Saturday night at the Legion gym, of the Pelican City basketball aggregation at the hands of the Klamath Falls Cardinals. The score was 47 to 31.

Beckley and Swanson were in

admirable form. The former tossed in baskets from every angle, and many of his shots were made possible by the tenacious floor work of Swanson. Wherever the ball was, there was Swanson. He worried the offense of Pelican throughout the entire game and was a constant threat.

Beckley is fast developing into one of the outstanding players of the county. A former high school star, he has developed to the point where he is fast, sure and always steady.

The victory places the Cardinals at the top of the southern division of the Klamath county independent

league. They have practically clinched the championship for this division which will give them the honor of competing with the champs of the northern Klamath division for the independent championship of Klamath county.

COOLIDGE AID IN COAL STRIKE NOT GIVEN SANCTION

Senate by Vote of 43 to 38 Refuses to Consider Intervention Plan

WASHINGTON, Feb. 8. — (AP) — For a second time within two days the senate refused to consider a proposal that it request President Coolidge to invite the miners and operators to the white house in an effort to end the anthracite suspension.

The majority against the resolution today was only five as compared with the twenty recorded yesterday. The vote was 43 to 38 and was taken after considerable debate which revolved around a bill offered by Senator Robinson of Arkansas, the democratic floor leader, proposing creation of a federal board of industrial adjustments, charged with fixing responsibility for coal strikes.

This measure was referred to the committee on education and labor after Senator Robinson had urged speedy action so the senate might take it up after the tax bill has been passed.

At the end of the debate Senator Copeland, democrat, New York, moved that the senate consider his resolution for a white house conference, which would have had the effect of displacing the tax bill.

Senator Edge, republican, New Jersey, countered with a motion to lay the Copeland motion on the table, but that was voted down, 41 to 58.

On the vote on the Copeland motion which followed, ten republicans joined with 27 democrats and the one farmer-laborer senator in support and three democrats joined with forty republicans in opposition.

Senator Robinson's measure which was offered after a number of democratic leaders had conferred on the coal situation, has as its primary purpose the invoking of public opinion for the protection of anthracite consumers against controversies between the operators and miners.

The proposed board would function when the president on his own initiative, or congress, by a concurrent resolution, which would not require presidential approval, had declared the existence of an emergency in which the public health or safety is endangered because of interference with the production of coal.

POLE VAULTER MAKES RECORD

BOSTON, February 8. (AP) — One world's record was broken, two foreign stars met defeat and another world's record was equaled seven times today in the thirty seventh running of the annual international indoor track and field games of the Boston Athletic association.

Charley Hoff, world's champion pole vaulter, shattered his own world's indoor record by clearing 13 feet 1 1/4 inches. He set a mark of 13 feet 1 inch Thursday night in New York.

Hubert Houben, sprint champion of Germany, appearing for the fourth and last time in his third trip, was defeated in the 40 yard dash semi-final. Adrian Paulen of Holland finished in the Ruek in the 660 yard run.

As fast a field of indoor high hurdles as was ever assembled was responsible for the seven times equalling of the record of six seconds over the 45 yard distance.
