It had been in the family for generations—that old walnut table. Jones protested, but finally dragged it forth. And now, deftly refinished by Mrs. Jones and a can of Acme Quality, the table is the pride of the household.

HAPPY HOUR CLUB HOLDS REGULAR MEETING MRS. H. MOTSCHENBACHER honored the matrons of the Happy Hour club on Tuesday afternoon at her home on Walnut. The usual social afternoon was spent, with the hostess serving a light luncheon at the close of the social hours.

PLANS FOR MINATURE SCHOOL DAY BEING MADE PLANS are now under way for a minature "back to school days" at the Klamath County high school, which is to be held for the parents the evening of April 16.

The parents are to be given a good old school day, thus making them acquainted with the teachers, and giving them a good opportunity to know what and how Mary and John are taught.

Invitations to "Parents' Day" will be sent soon. It will be held in the evening and program and mother will be given program slips which will entitle them to visit the very classes which their children have. If dad is tardy he will have to march down to the office for a slip. At each class the teacher will outline the work taught under her.

After seven minature periods are held, the newly-formed Honor Society, and student body committee, will have charge of the evening program. There will be a song fest, also, under the supervision of the music department. After the serving of light refreshments fathers and mothers' ideal school day will be over.

These Sedans Illustrate the Low Cost of Finer Transportation

Every day the American public becomes better acquainted with the Better Buick.

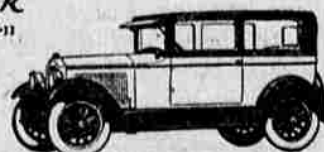

The capacity of the great Buick factories is taxed to supply the demand.

The Better Buick 5-passenger, 4-door and 2-door sedans are good illustrations of the reasons for Buick's accelerated popularity.

These sedans are real sedans with Fisher bodies, and striking Buick closed car body lines. Graceful. No harsh corners anywhere. Objects of admiration on boulevard and highway. Upholstery of finest quality. Interior refinements luxurious and complete.

And these fine bodies ride on the famous Buick chassis, with all the modern improvements and refinements introduced by the Better Buick.

The only similarity to "coaches," and other low-priced closed-car types, is price. Come in and compare these sedans before you spend your money. Here is finer transportation at lower cost.
