

Meningitis Claims Ten Year Old Child

Ella Belle Young, ten year old daughter of Mr. and Mrs. Edward Young of 102 Jordan avenue passed away at the family home Wednesday morning following an illness of two days with spinal meningitis.

Besides her parents she is survived by four sisters, Ruth, Edith, Marie and Betty and one brother Glenn. The child was a student of the third grade at the Riverside school.

Funeral services will be held on Friday morning at 10:30 at the graveside in Linkville cemetery, with Rev. A. M. Rhodes officiating. The remains are at the Earl Whitlock funeral home on Pine street.

ANDREW'S VIEW PROVES SURPRISE

(Continued from Page 1)

A marine gave me," the senator continued, "and what a marine doesn't know about getting whiskey nobody needs hope to know. I say that with all respect to the marines. They are good fighters and hard drinkers."

Senator Reed then went into a description of the drawing showing how liquor was made with a pan and a couple of bricks.

"But that produces liquor full of ether," objected Andrews.

"Yes, very dangerous," returned Reed, "and one marine full of that could lick a regiment of other fighting men."

"I might make it two," the general said.

"You understand now this kind of a still."

"I shall file it for future reference."

"Yes and it may be useful to you when you get back into the service and you don't have any 'Melly' Butler to supervise you."

General Andrews told the committee that the figures of Attorney Buckner of New York that 60,000,000 gallons of alcohol are diverted into the bootleg trade annually were too high.

"Our best figures are that from 10,000,000 to 15,000,000 were diverted last year," he said.

MAY NOT VOTE ON BRIDGE SITE

(Continued From Page 1)

In the coming May primary and general election in November, is the firm belief of those closely following political developments.

No single road construction project has so aroused the interest of Klamath Falls citizens. From civic organizations, from petitions that have been presented to the county court and from the general expression of the public, there has been a cry from the general voting public to "build the bridge."

Construction of the bridge will have an important bearing on the outcome of the voting at the May primaries, it is believed.
