Klamath Temple

"What Can We Believe?" Is the theme for the Sunday morning sermon by the pastor. There are so many men of so many minds with so many doctrines. Out of them all what are we to believe? In the evening, "Why was the Crucifixion Necessary that God Might Forgive Sin?" Why the sacrifice of Christ for our redemption? At this service the pastor will answer a number of questions that are of vital interest to Christian men and women. The evening service will be held at 8 o'clock, preceded by the Klamath Temple Gospel band which will hold a session from 7 to the preaching hour.

Our Sunday school under the efficient leadership of Mrs. Johnson will convene at 10 a.m. sharp.

In the evening after the preaching service will be held the first baptismal rite ever conducted in the Temple. The new baptistry has just been completed and many will be buried with their Lord in this sacred and beautiful ordinance of the Master. Don't miss witnessing this ceremony. The Temple is a place of congenial welcome.

B. C. Miller, Pastor.
