OUR KODAK DEPARTMENT

Is a busy place during this fine sunny weather. Two Expert operators work steadily turning out "prints" from hundreds of rolls of film.

We claim that our work cannot be excelled and in addition we give each picture the famous

'Krystal Kote'

This is a glossy finish that will not crack or grow dull. Every finisher does "glossy" work, but KRYSTAL KOTE is a perfected process and can be had only from us.

Send us your next roll of films and join the ranks of satisfied Kodak fans.
