In Chevrolet you get more for your money than in any other car built. You get every essential improvement developed by automotive engineers during the last twelve years of progress.

You get the greater flexibility of Chevrolet's 3-speed transmission—the greater power and smoothness of Chevrolet's valve-in-head motor—the easier, safer handling of Chevrolet's semi-reversible steering gear—the greater comfort of semi-elliptic springs.

Buy no other low-priced car until you have compared it with Chevrolet. Check point for point—feature for feature. Know what you are actually getting for the price you pay. Let us give you a demonstration.
