

County Primary Schools to Be Over Tomorrow

Eighth Grade Examinations for 140 Pupils Now in Progress

One hundred and forty pupils of eighth grade classes of county rural grade schools set themselves to their biggest task of the school year, final examinations.

Tomorrow afternoon, the papers will be handed in and practically all primary schools of rural districts will be closed for the summer. Those few schools that had two weeks' vacation during Christmas season will be dismissed for the summer next Wednesday.

Fletcher Returns From Washington

Fred D. Fletcher, local attorney, returned today from Washington, D. C., where he vigorously opposed the bill which would make the government defendant in a suit to annul contracts by which the California-Oregon Power company acquired control of upper Klamath lake and the Keno and Ankeny canals.

Fletcher was sent to the national capital by pumping districts in Klamath, who were supporting the California-Oregon Power company in its effort to avoid being sued by the Klamath Irrigation district.

Missing 130 Days, Makes Port With All Safe

Missing at sea for 130 days, the prey of alternate storms and calms, the four-masted schooner Irene finally made its way to San Pedro, Calif., after being given up as lost. The schooner sailed from Grays Harbor, Wash., Dec. 14 for Miami, Fla., with a load of lumber, but was driven far off its course. There were rations for only about one more day when it finally reached the harbor. But the crew's first cry was, "Give us a smoke." Upper picture shows the schooner in San Pedro harbor; below are Captain and Mrs. Allen E. Rosendal and Irene, the mascot.

Sacred Heart High Students Enjoy Day

Today marked the annual high school picnic of the students attending Sacred Heart Academy. Early this morning cars taking a party of thirty six students motored to the Hans Anderson ranch on Williamson river where the day was enjoyably spent with out of door sports and a picnic lunch. A number of the mothers and two of the sisters at the academy chaperoned the merry party.

Opening Ball Game Sunday

Grants Pass and Pelicans Meet at Fair Grounds

"Play Ball."
With these two words, the opening game of the Southern Oregon baseball League will start off with a bang on fair grounds field Sunday at 2:30 p. m. when the Klamath Falls Pelicans meet Grants Pass.

Enthusiasm in the national sport has been growing as the date of the opening game draws near. The Pelicans each afternoon are putting forth every effort to round into shape for the initial game. Word from Grants Pass is to the effect that the Rogue River aggregation will bring over a fast team with a battery that will be hard to beat.

Who will start in the box for the Pelicans is a matter of speculation. Even Rip King, beefy manager and catcher for Klamath Falls, hasn't decided who will toss for Klamath. Nor has he decided just what the line-up will be.

It is believed however that Alken will hold down first, Fuller second, Duback short, Bayness third, and King catcher. Leading candidates for the outfield are Ed Clark, DeMaurais, Noel Davidson and Cornell.

The game will be enlivened by ten prizes offered by Klamath Falls merchants as follows:

To the player getting the first hit, a 25 pound sack of flour or three pound can of coffee; first run, choice of a bat; for the first hit that scores the first run, baseball shoes; for the first two base hit, carton of cigarettes; for the first three-base hit, 30 day free pass to the moving picture shows; for the first home run, a bat; for the first put-out, unassisted, shave and hair cut; for the pitcher getting the first strike-out, straw hat; for the player stealing the first base, straw hat; for the two men completing the first double play, \$2.50 each.

LUCKY CHILD
ST. PAUL, Minn., May 11. (AP)—Eighteen months old Thomas Weisler fell thirty feet down an open dry well here today, struck a ledge of concrete, rolled off and fell another twenty feet to the bottom of the shaft and escaped with only a scalp wound and a cut on his chin. A neighbor and the fire department rescued him.

Takes all day to dodge an hour's work.

Speed Shown in Workouts

Parker-Woods Fray Turns Into Real Battle

Fans who attended the workouts last evening at Scandia hall were treated to the spectacle of a real headline fight when Kid Parker and Spec Woods mixed for a few fast rounds.

The ring is now up and the boys have a real chance to work out without hurting themselves.

Frankie Lewis and Jack Mason, who will arrive this evening, will work out tomorrow at 6:30 along with other boxers on the card. Steadily increasing crowds at the workouts testifies to the unusual interest in the coming match.

Benny Dotson, when he read yesterday that Kid Starkey had him figured as a loser in the coming ten-round main event, gave vent to his feelings merely by grinning.

In view of the interest the coming card is arousing among fight fans of the city, the prediction is made that the crowd next Tuesday night will break all records.

In view of the manner in which Spec Woods is working out, it looks about like an even money bet he will go the limit with Greenlee, despite his defeat at the hands of the latter some time ago.

Fans are anxiously awaiting the arrival of Lewis so that they may get a line on him for the coming fight. It is generally believed he will use an entirely different method in fighting Dotson than was used in his match with Starkey.
