Wildcat May Be Tamed in Starkey Bout

Chico Mauler in Good Shape for Coming Match

Wildcat Evasco may be wild, but indications are he will receive a flock of gloves at the hands of Kid Starkey that will do much to tame him when he squares off for action next Tuesday night at Seandia hall. Starkey, in better shape than he has ever appeared here, with weight reduced, worked out six fast rounds last night, two with Jack Crim, two with Gene Linkenbach and two with Sidney Dean, before a good-sized crowd.

Both Stolz and Evasco are due tonight.

Those who want the lowdown on Evasco's fighting ability are requested to get in touch with a man who has seen him in action repeatedly—Manager Elliott of the Waldorf Pool Hall.

According to Elliott, Evasco can take Starkey's number.

Jack Crim is in the best of condition and if he shows in the fight as he does in workouts should be able to take Stolz to the cleaners.

The Harms-Dean fight looks about like even money, with odds slightly in favor of Dean, who has met some pretty tough ones in Oakland.

The Parker-Linkenbach fight can't last any less time than it did on the last card, and according to dope at the workouts it will have a far different ending.

The card looks well-balanced and should provide action sufficient to satisfy any fan.

Matter of a referee is yet to be decided. If Evasco shows up tonight, he will work out, if not, he will appear tomorrow night at 7 o'clock.

VISIT WHITMAN HOME

Mr. and Mrs. Russell Campbell of Seattle, cousins of Harry Whitman, returned home yesterday after a ten days' visit here at the home of Mr. and Mrs. Whitman. Yesterday they made a trip to Yreka and motored back as far as Ashland with the Whitmans en route to the coast city. While here they enjoyed a number of delightful trips to surrounding points of interest and were very much impressed with the Klamath country.

At the PINE TREE

Remember the Scarecrow? And the Tin Man? And Little Dorothy? And the Lion? And the Wizard? And the cyclone and all the other thrilling and fun in the land of Oz? Well they are all brought to life in the screen version of the world's most famous fantastic spectacle, L.

Frank Baum's "Wizard of Oz." It is scheduled to be shown at the Pine Tree theater tonight.

This famous story has been familiar to the world for the past 20 years. Adults have been fascinated and charmed with its whimsical humor which is worthy of the pen of a Barrie; children have been delighted with it, reading it again and again. Montgomery and Stone scored

the success that gained them fame and fortune in the musical comedy version, but the book and play combined could not visualize as effectively the fantastic ideas of the author which will be shown on the screen.

Charles G. Larson of the Whitlock Funeral home is at Lake o' the Woods and plans to return to the city tomorrow.
